ALL THE TESTS ARE COMING BACK THE SAME, MISSY. IT'S CANCER. PANCREATIC ADENOCARCINOMA.

WHAT...WHAT KIND OF TREATMENT WOULD YOU--

IT'S ADVANCED. AT THIS POINT, I DON'T KNOW THAT IT CAN BE TREATED.

MEANING...

MEANING YOUR CONDITION IS LIKELY TERMINAL.

BUT...I STOPPED SMOKING YEARS AGO.

THAT'S NOT THE ONLY RISK FACTOR, AND IT MAY NOT HAVE PLAYED A PART.

THERE WAS A TIME...SOME OF MY ABILITIES, USING THEM WOULD SHORTEN MY LIFE. DO YOU KNOW...IS THAT WHAT'S CAUSED THE CANCER?

I DON'T KNOW THAT ANYTHING IN PARTICULAR CAUSED IT.

SOMETIMES THESE THINGS ARE JUST GOD'S WILL.

IF YOU'D LIKE FOR ME TO DISCUSS HOSPICE WITH YOU AND YOUR HUSBAND, OR "END OF LIFE" OPTIONS...

THAT'S ALL RIGHT. I'LL DEAL WITH IT.

"END OF LIFE OPTIONS"? "GOD'S WILL"?  
THE DOCTOR IS A GOOD MAN. BUT LIKE  
SO MANY PEOPLE, HE'S TOO READY TO  
GIVE IN TO CIRCUMSTANCES.

IT'S JUST CANCER, THAT'S ALL.  
I'VE FOUGHT AGAINST THE ODDS  
DOZENS OF TIMES, AND EVERY  
TIME I'VE BEATEN THEM.

I WAS OLE MISS.  
I WAS A HERO...

I REFUSE TO BELIEVE  
THAT THIS TIME WILL BE  
ANY DIFFERENT THAN...

...TIME...

...OH MY GOD...  
I'M GOING TO DIE.

"NOBODY  
DIES, YOU  
UNDERSTAND?"
