

"I'm late for a dinner."

Found this cop trying to help the wounded.

Well, well, well... what do we have here? A real SJW-for-life!

You're a bunch of animals--

**CLUNK**

Shut up, SJW! No one wants to hear your virtue-signalling!

You're supposed to be on *our side!* Government taxes pay for you to *enforce* the law! To *protect us!* Not *them!*

But that's okay, SJW. There are more of us than you would ever guess.

Our will is resolute. Our numbers growing! If you are not up to the task, then we will protect this great land and all of its wealth ourselves!

You killed innocent people. Kids...for what? Money?

**CLICK CLACK**

"Blood and Oil". It's always been about the money...

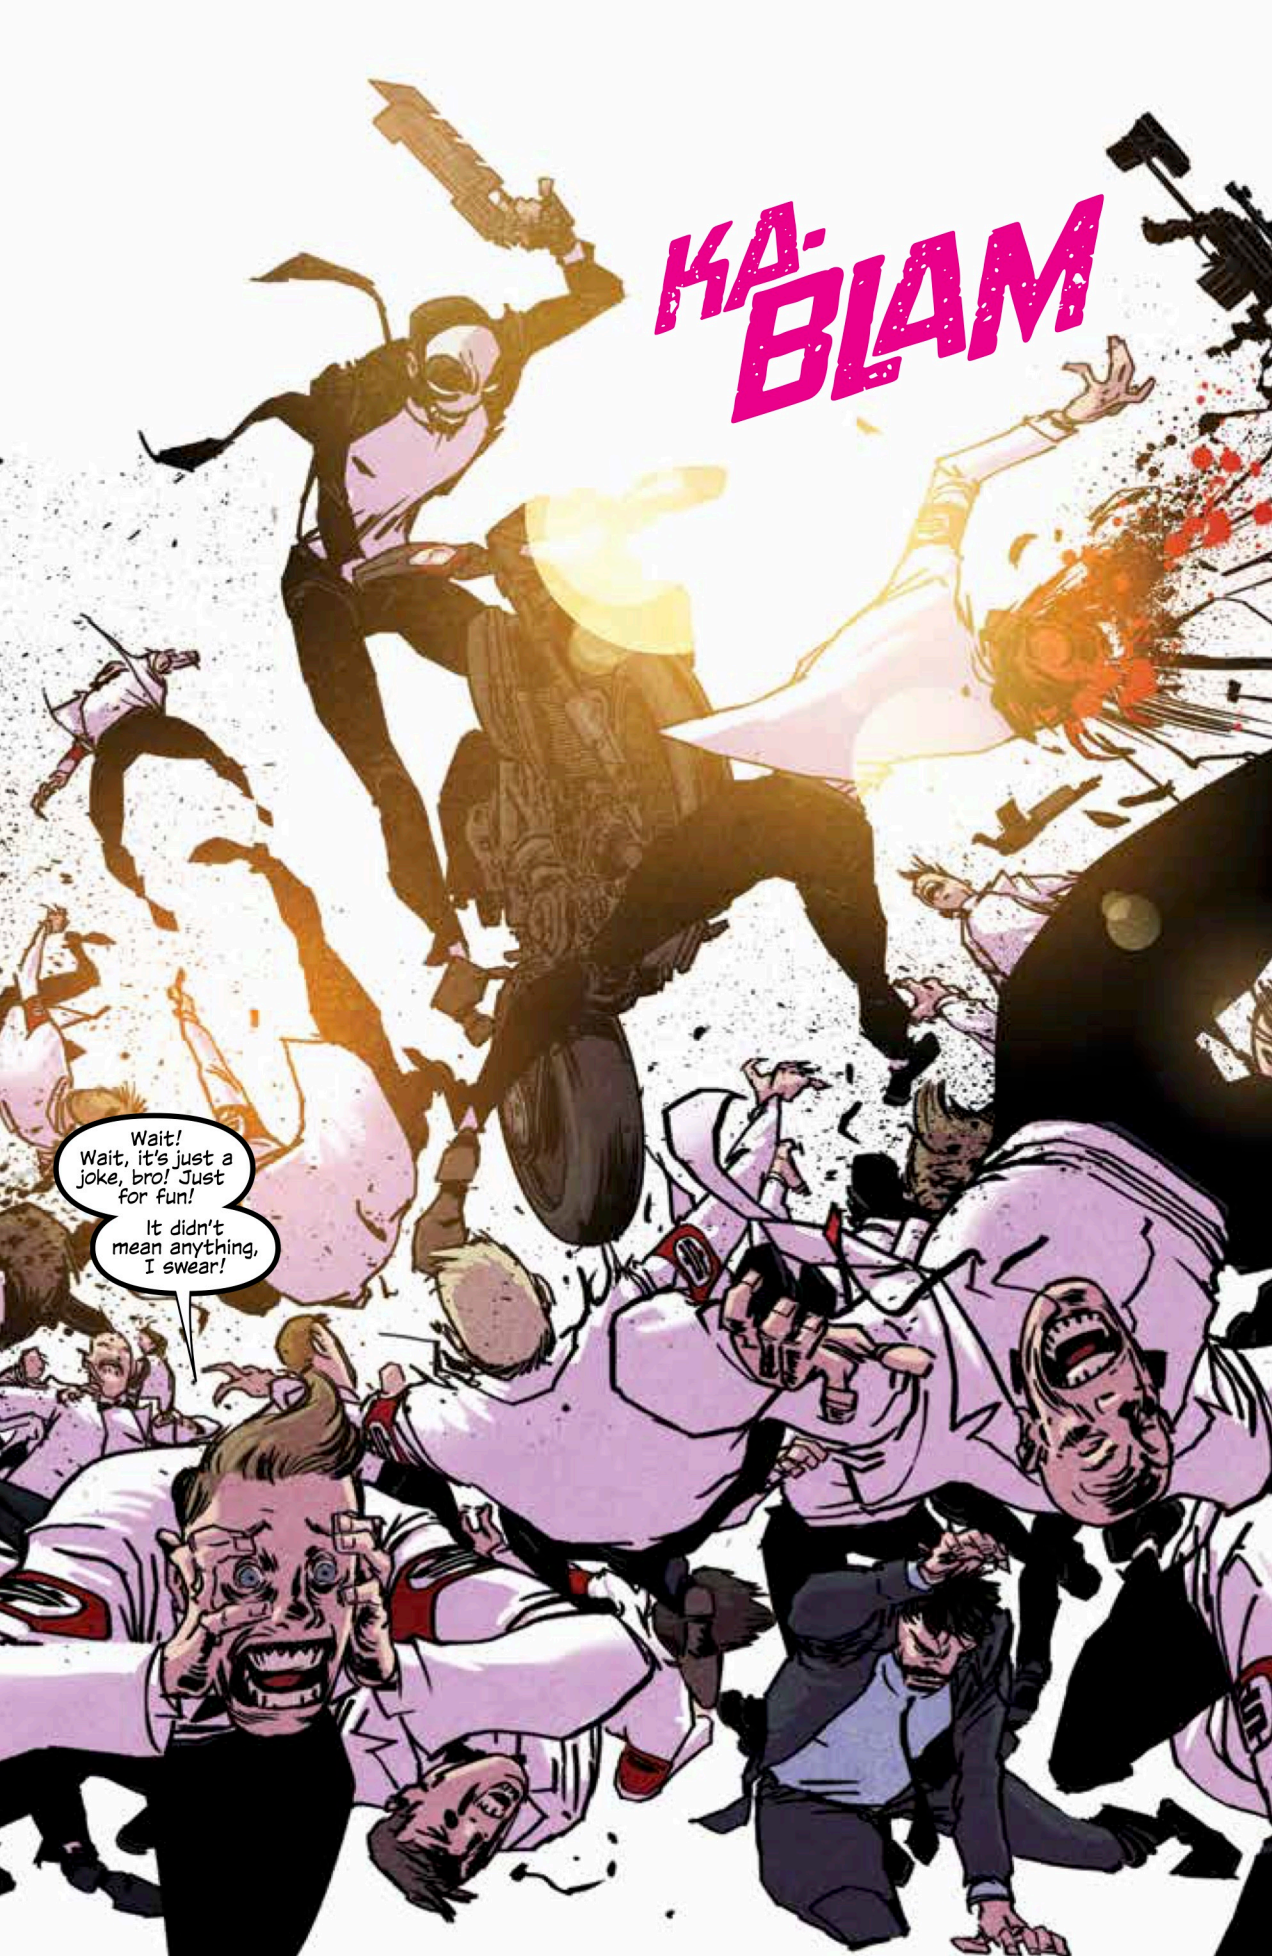

And we're just warming up... Wait.

What's that sound?

**KA-  
BLAM!**

Wait!  
Wait, it's just a  
joke, bro! Just  
for fun!

It didn't  
mean anything,  
I swear!

**CHOCHE**

**ON**

**THÉE!**
