Using his immense solar-fueled powers, he became **SUPERMAN** to defend mankind against all manner of threats while championing truth, justice and the American way!

Recently, the mysterious cosmic warmonger **ROGOL ZAAR** was revealed to be behind the destruction of Krypton. After a brutal battle that destroyed the bottled city of Kandor and the fortress of Solitude, Supergirl banished Rogol to the Phantom Zone.

Meanwhile, Clark's estranged father, Jor-El, came back to Earth to offer his young grandson, Jon, a trip across the galaxy to help him find his way as a man. Lois agreed to chaperone her son, but during the battle with Rogol Zaar, the only communication device Clark had to keep in touch with his family was destroyed.

As Clark looks for a way to reach his family, he experiences a horrible atmospheric shift. The cause: **THE ENTIRE PLANET EARTH HAS BEEN TRAPPED IN THE PHANTOM ZONE.**
