Northeast Yavapai County.

Arizona Territory.

Your large friend... Mr Kalfu?

Will he not be joining us?

Kalfu is the Gatekeeper.

His duty is to the Crossroads.

Um. So... *no* then?

Miss... *Redmayne*, was it?

Yes, Mr. Grey.

Miss *Abigail* Redmayne? Like the famous soprano?

I knew it! My father took me to see you when—

You mean to tell me that you went from performing at Royal Albert Hall to... *what?*

Hunting monsters and cavorting with demons?!

That was... in *another* life.

I was familiar with the shadows *long* before I stepped into the floodlights.

Cryptic.

I must say, I take some pride in being a man of intelligence and education, but—

—*but*, I cannot seem to wrap my mind around what is happening here!

You do see that this is all *madness*?!

Attacked by strange... *creatures* on a train one minute... and the next, whisked halfway across the globe!

All in the blink of an eye!

You cannot return to Cambridge.

Not ever.

You are *exposed* now and the Hunter will not rest—

The *Hunter*?! What's that?!

Do not misunderstand me, Miss Redmayne, I am *immensely* grateful to you for coming to our aid.

For *rescuing* us.

But why not simply return us to Cambridge? Why bring us... *here*?!

Please. It is best that I let *them* explain it to you.

Them?

Them *who*?

Our greeting party.

The *Buzzard* Clan.

New Mexico Territory.

Where are we going, Ghost Eyes?

Can you tell me that much at least?

You'll give me *fair warning*, won't you?

Are we close?

Seems we've got a ways to go yet.

Seems...?

Wait... you do *know* where we're heading, don't you?

We're *not* following a *blind trail*, are we?

There's no need to act the March Hare.

We'll get where we're going.

It's just that some of my *guides* are more trustworthy than others.
