

**LAHORE, PAKISTAN
NOW**

RAPTOR 1
APPROACHING.

ETA TWO
MINUTES.

GROUND
TEAM,
TARGET IS
PAINTED.

I'm playing a
DANGEROUS game.

A game to take down the **MOST
POWERFUL** man on the planet.

GROUND TEAM
PREP FOR
INFILTRATION.

EXFIL IN THREE
MINUTES.

Seventy-five trillion in drones, tanks
and military weapons at his disposal.

One point eight million active duty military personnel
and intelligence assets under his command.

The leader of the so-called *FREE* world is a religious monster, and he killed the only man I ever loved.

I don't care who I have to carve through to get him.

He has to pay.

This will make me the most hunted person in the world.

I'm not sure you can ever be prepared for that.

But I know how to hide.

And I know their secrets.

SAMANTHA COPELAND
AKA SAMARITAN
HACKER, FUGITIVE

That scares them the most.

Maybe enough to keep me alive.

GOT VISUAL CONFIRMATION.
TARGET PAINTED.

GREEN LIGHT.

BLAM
