J. BLOOM
2016

FRANK CASTLE was a decorated Marine, an upstanding citizen, and a family man. Then his family was taken from him when they were accidentally killed in a brutal Mob hit. From that day, he became a force of cold, calculated retribution and vigilantism. Frank Castle died with his family. Now, there is only...

THE PUNISHER

The Punisher set his sights on Condor, a mercenary organization now peddling EMC, a drug that gives users enhanced strength and senses while wrecking their bodies and minds. The trail led Frank to a cargo ship stocked with EMC and Olaf, Frank's former commander in the Marines, whose brutal ambition made him Condor's leader. On the open ocean, Olaf ordered his men to kill Frank, but the Punisher is even more dangerous with his back against the wall.

Meanwhile, D.E.A. Agent Ortiz, eager to get justice for her partner, who was murdered by a Condor operative, reached the water in time to see Condor's cargo aflame and the carnage in Frank's wake. On an iceberg, an EMC-enhanced Olaf and the Punisher are finally facing off. And Ortiz is closing in.
