

**COSMO AND HIS INTREPID CREW TRAVEL SPACE IN SEARCH OF ADVENTURE!**

**COSMO AND HIS HEROIC CREW SEEK TO HELP THOSE IN NEED!**

**COSMO AND HIS DOOMED CREW HURTLE HELPLESSLY TO THE PLANET BELOW!**

**GET  
in the  
GAME**

COSMO AND HIS GANG OF LUNATICS REALLY NEED TO GET THIS UNDER CONTROL!

I HATE TO SAY IT, ASTRA, BUT MAX KINDA HAS A POINT!

QUIT BACK-SEAT FLYING! I'VE GOT THIS!

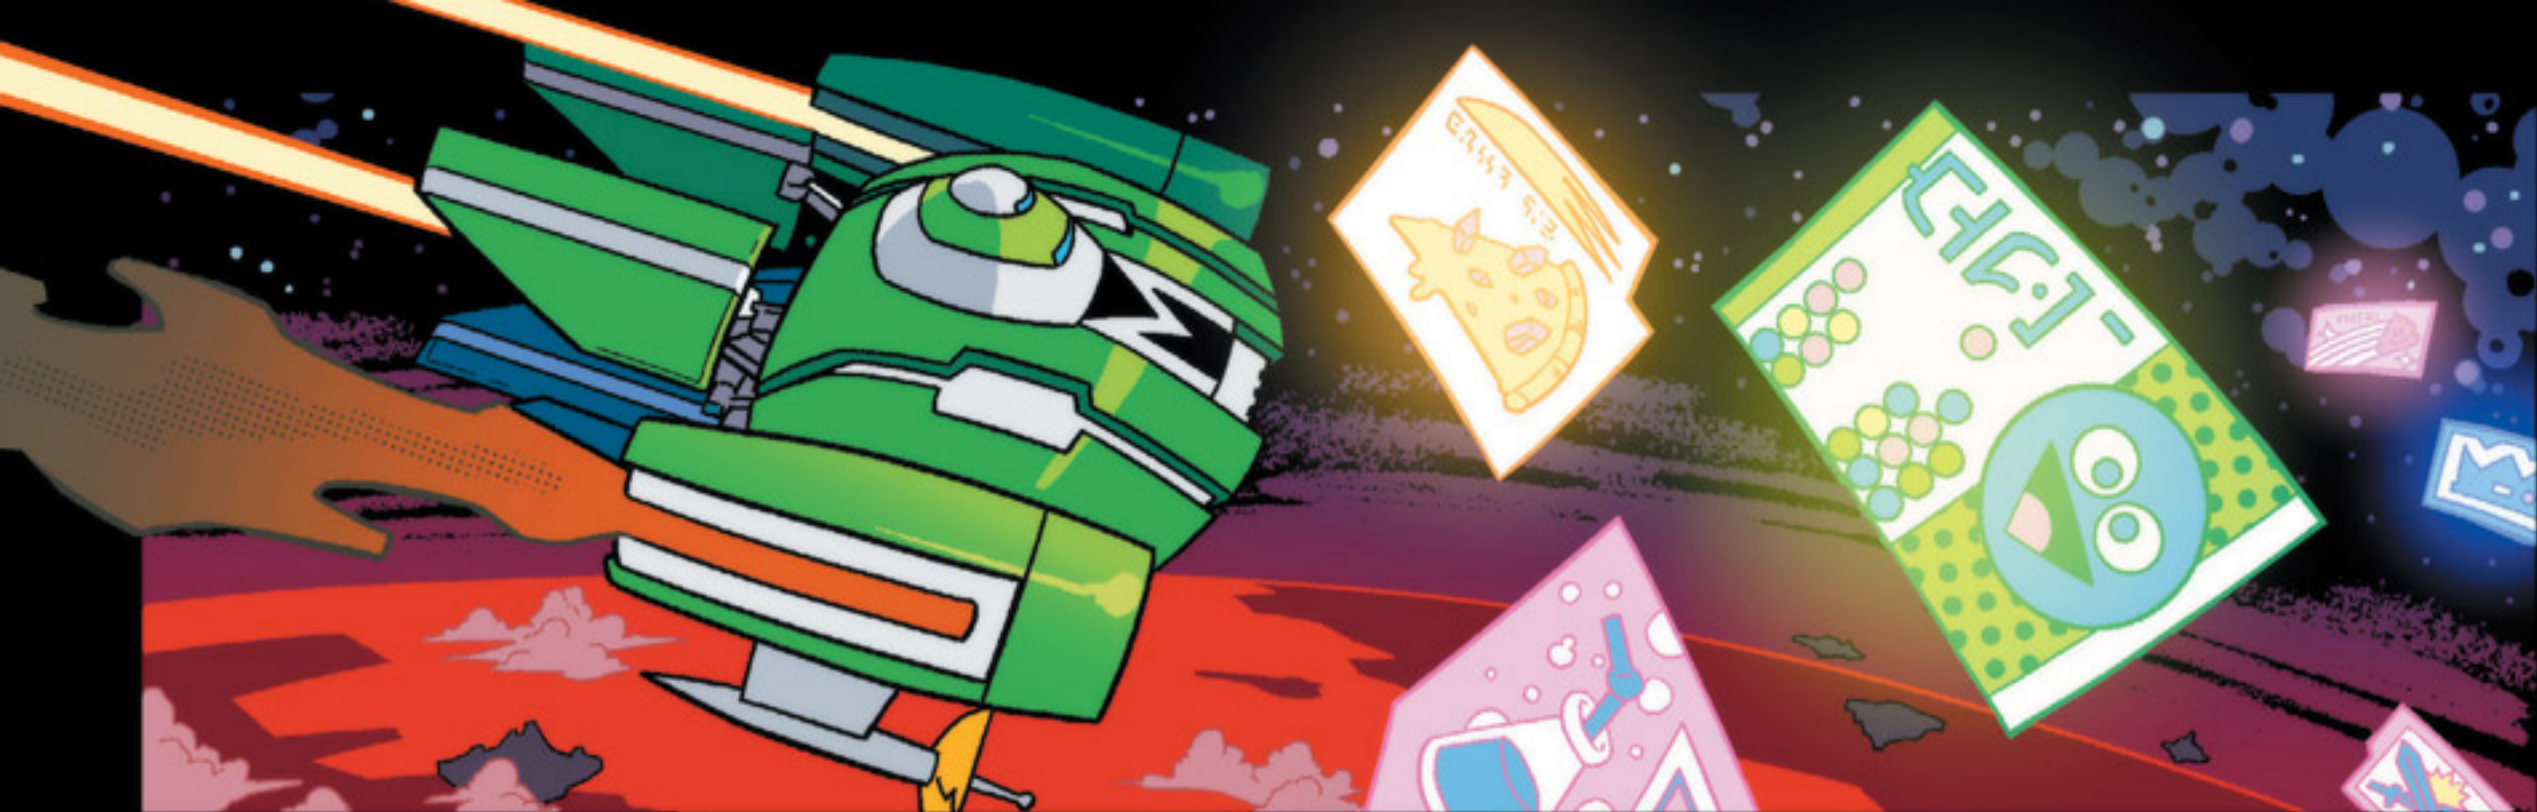

JOJO! QUICK! WE'VE GOT TO EAT ALL THE FOOD BEFORE IT SPILLS!

"FOUR INERTIAL DAMPENERS JUST FOR YOUR LAB IS OVERKILL," THEY SAID.

"YOU'LL NEVER NEED THINGS THAT LOCKED-DOWN," THEY SAID.

AND SO...

WHAT'S THE DAMAGE?

THE FLIBBIDY-JIBBIDY IS CRACKED, THE WHATCHAMACALLIT IS WARPED, AND I CAN'T EVEN FIND THE SAMOFLANGE.

THANKFULLY, WE CRASH-LANDED ON ARCADEA! WE CAN FIND ALL OF THOSE THINGS EASILY HERE!

MERCURY, VENUS, EARTH, MARS...

IS THAT SOME PLANET YOU'VE KEPT HIDDEN FROM EARTH FOR... REASONS?

NOT AT ALL! WE'RE OUTSIDE OF THE SOLAR SYSTEM RIGHT NOW.

ARCADEA IS AN ALIEN RESORT PLANET WITH FOOD! AND DRINKS! AND GAMES! AND FOOD! AND GAMES!

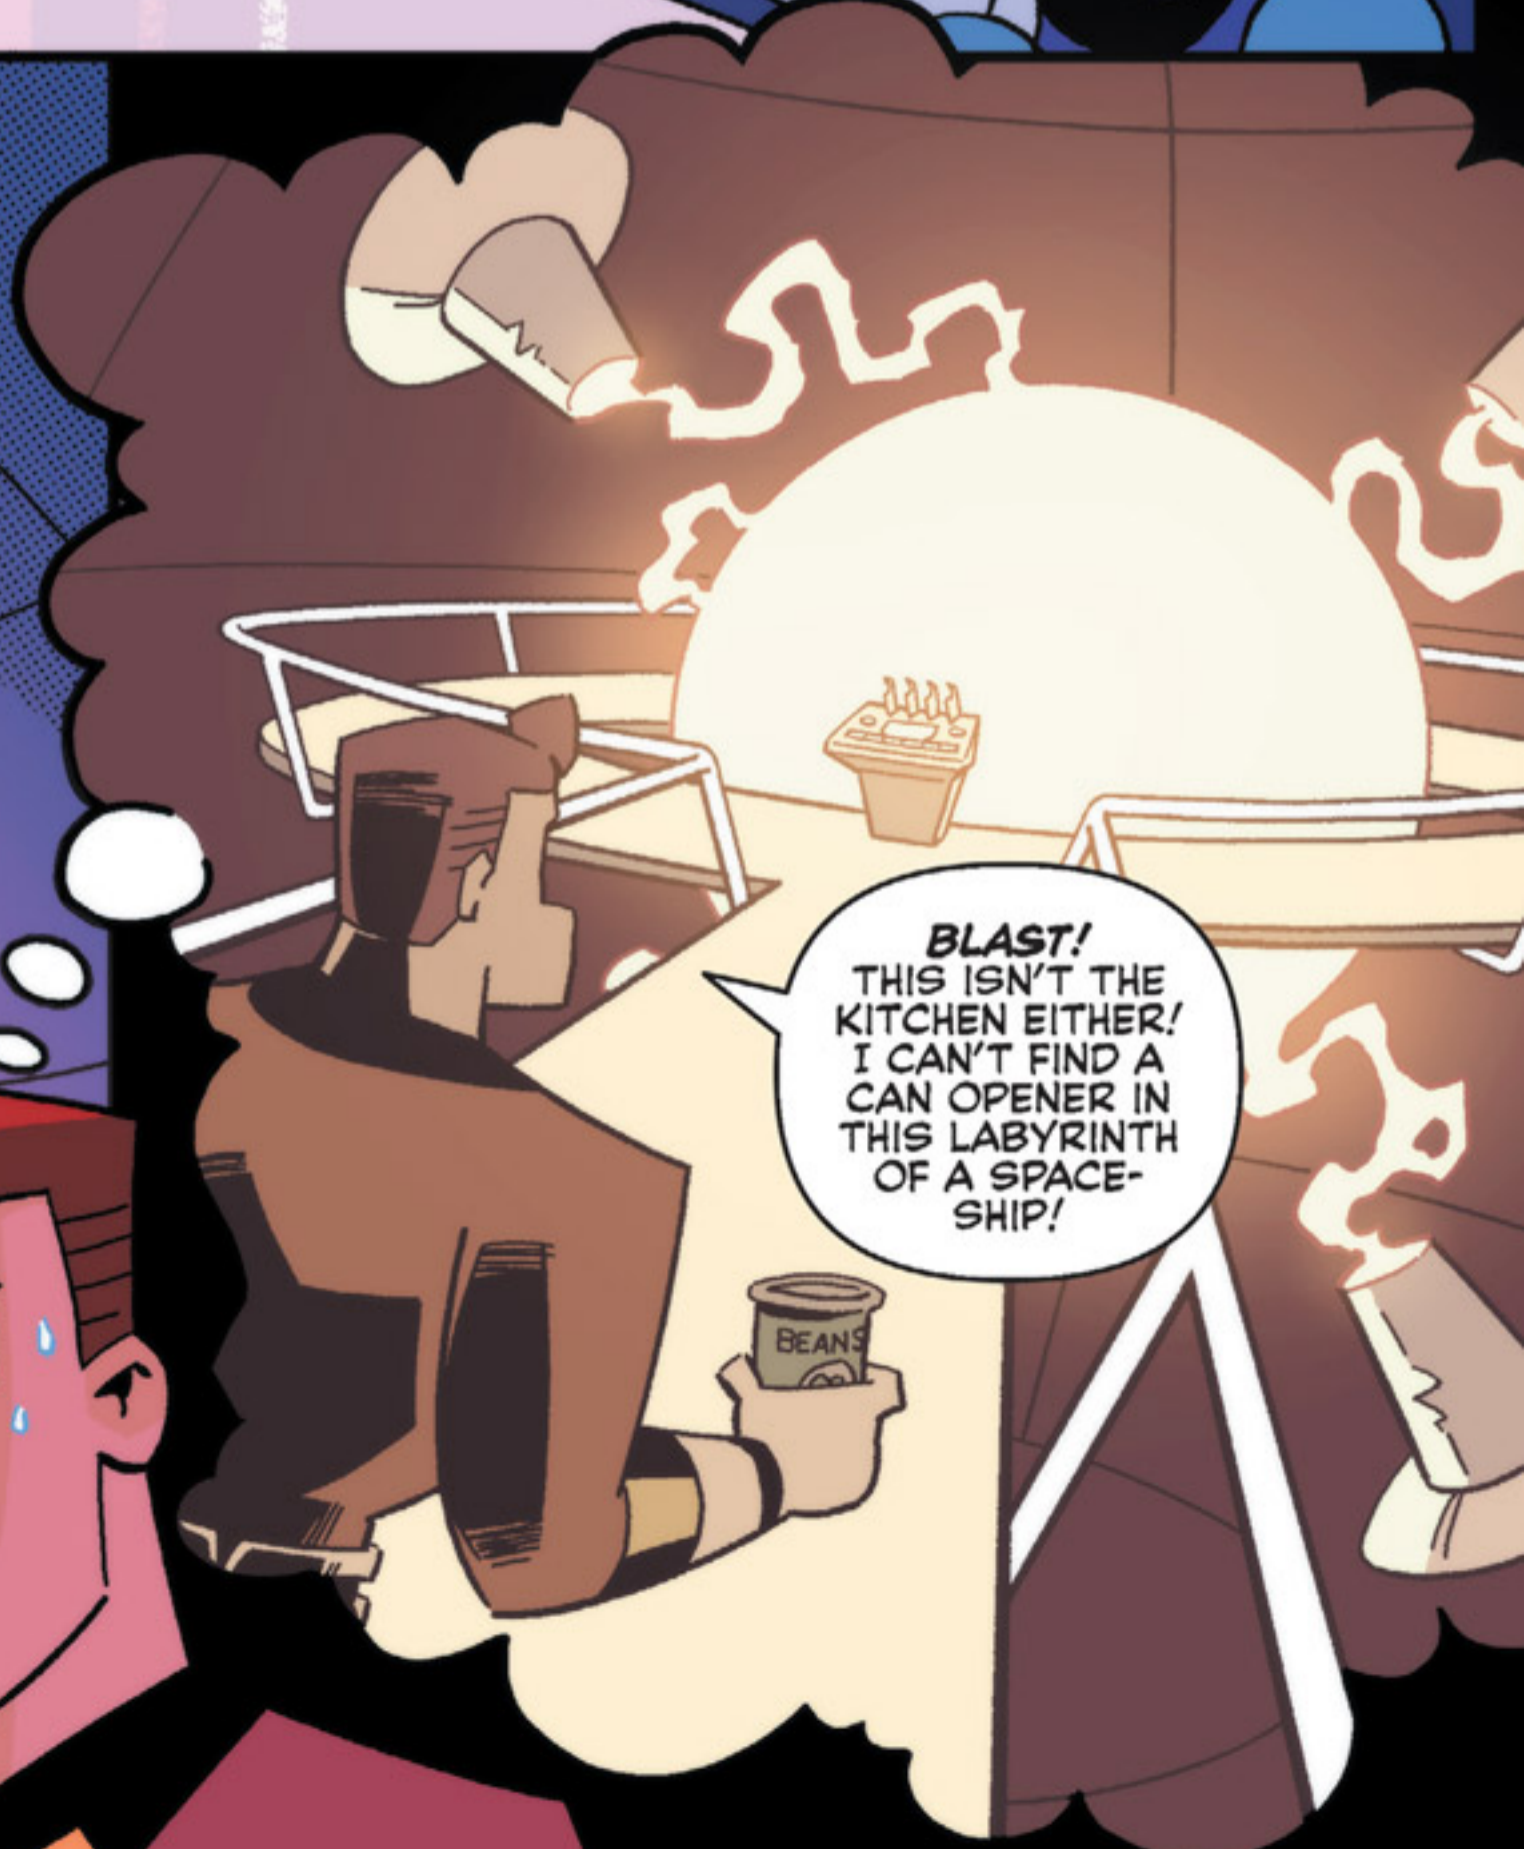

I LIKE COMING HERE AS MUCH AS ANYBODY ELSE...

...HAVE THE PLATINUM MEMBERSHIP CARD, EVEN...

...BUT WE WERE HEADED FOR SATURN. HOW DID WE GET THIS FAR OFF COURSE?

DON'T LOOK AT ME. I HAD US ON A STRAIGHT SHOT. SOMETHING WENT NUTS WITH THE ENGINES.

BLAST! THIS ISN'T THE KITCHEN EITHER! I CAN'T FIND A CAN OPENER IN THIS LABYRINTH OF A SPACE-SHIP!

AH!  
ONE OF  
THESE  
SHOULD  
DO!

tink

**AROORO-GA!!**

**WARNING! WARNING!  
STABILIZERS OFFLINE!  
SHIP STATUS:  
VERY BROKEN!**

**AROORO-  
GA!!**

WHAT'S IMPORTANT IS WE FIX UP  
YOUR "YOO-FOW" AND FIND OUT  
WHAT SINISTER PLOTS THOSE VILE  
VENUSIANS ARE...PLOTING.

MAX IS  
RIGHT. WE'LL  
SPLIT INTO  
TEAMS.

ASTRA,  
MEDULLA  
AND ORBI--  
YOU FIND THE  
PARTS WE NEED.  
JOJO AND MAX  
ARE WITH ME.  
WE'LL SEE WHAT  
WE CAN FIND  
OUT ABOUT  
VENUS'S  
PLANS.

AND SO...

WE SHOULD MAKE  
TIME TO CHECK OUT  
AT LEAST ONE OF THE  
ARCADES. I WAS QUITE  
THE GAMER BACK  
ON EARTH.

Oh, I'M  
SURE.

**S  
K**
