Barely holding on with their lives, the remaining iro-bots try to evacuate the battlefield, but Sizer insists they cannot leave without Chase, The Vishual.

At the front steps of House Atlantic, with the defeat of Wilhelm Ryan at his fingertips, Claudio detours into the Willing Well in search of Ambellina and comes face to face with The Creator.

The Creator lashes out at Claudio for not following his script, which doesn't go over well, and thus leaves our characters wondering—will there be No World For Tomorrow?
