# Runaways

When they were younger, Nico Minoru, Chase Stein, Gertrude Yorkes, Karolina Dean, Molly Hayes and Alex Wilder became friends through circumstance: hanging out once a year while their parents had what they claimed was a dinner party. After discovering their parents were actually the super villain team known as the Pride, the kids ran. The Runaways learned to use powers and resources inherited from their parents and returned to defeat them. The experience made them a family, but that wasn't enough to keep them safe.

Under one roof and temporarily safe, some Runaways don't know what to do with themselves. Molly and Karolina are struggling to manage sadness and happiness, respectively. For Gib, the junior elder god, abstaining from human souls means there's nothing to sustain him. Victor was bodiless and feeling worthless, unable to help his friends. So he did something drastic. But Chase has been pretty sure of what to do all along: fix everything. What can't be fixed-- like the distance between him and Gert, Victor's reticence to be repaired, poor broken Doombot--just requires good humor and patience.

But you Can't Hide Pt III

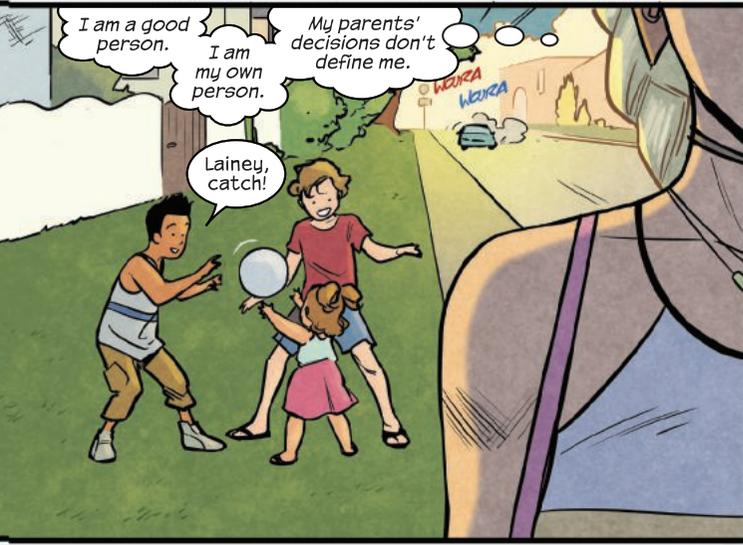

Can I help you find something?

I am a good person.

I am my own person.

I am a good person.

I am my own person.

My parents' decisions don't define me.

Lainey, catch!

I forgive myself for the mistakes I made when I was too young to know any better.

I'm allowed to be happy.
