

In the endless  
sands of the west,  
a criminal runs...

No...no...  
gotta keep  
ridin'

Can't let  
'em catch  
me!

...but a hero  
pursues...

We'll ride  
as long as it  
takes, you horn  
scrobbler!

Hey Finn...  
I think we  
uh...

...so does  
his friend, a  
magic dog.
