

Rocketed to Earth from the doomed planet Krypton as an infant, Kal-El was adopted by the loving Kent family and raised in America's heartland as Clark Kent. Using his immense solar-fueled powers, he became SUPERMAN to defend humankind against all manner of threats while championing truth, justice and the American way!

Recently, the mysterious cosmic warmonger ROGOL ZAAR was revealed to be behind the destruction of Krypton. After a brutal battle that destroyed the bottled city of Kandor and the Fortress of Solitude, Supergirl banished Rogol to the Phantom Zone.

Meanwhile, Clark's estranged father, Jor-El, came back to Earth to offer his young grandson, Jon, a trip across the galaxy to help him find his way as a man.

Lois agrees to chaperone her son, but during the battle with Rogol Zaar, the only communication device Clark had to keep in touch with his family is destroyed.

Now that the battle is over and the villain banished, Clark has only one thing on his mind...

I HAVE TO FIND  
MY FAMILY.

BUT THE  
REALITY IS...

...IT'S A RATHER  
BIG GALAXY...

...AND I HAVE  
NO IDEA WHERE  
I'M GOING.

IT'S UNUSUAL FOR  
ME NOT TO KNOW  
WHAT TO DO...

...BUT I'VE NEVER  
ACTUALLY BEEN IN THIS  
SITUATION BEFORE.

A SIGN.

I WOULDN'T MIND A SIGN TO  
KEEP GOING AFTER THEM OR--

746 MILLION  
MILES AWAY,  
AND YOU CAN  
DRAW A  
STRAIGHT  
LINE...

...THE  
DOMINATOR  
ARMADA.

HEADED  
RIGHT FOR  
EARTH.

I MEAN,  
RIGHT  
FOR IT.

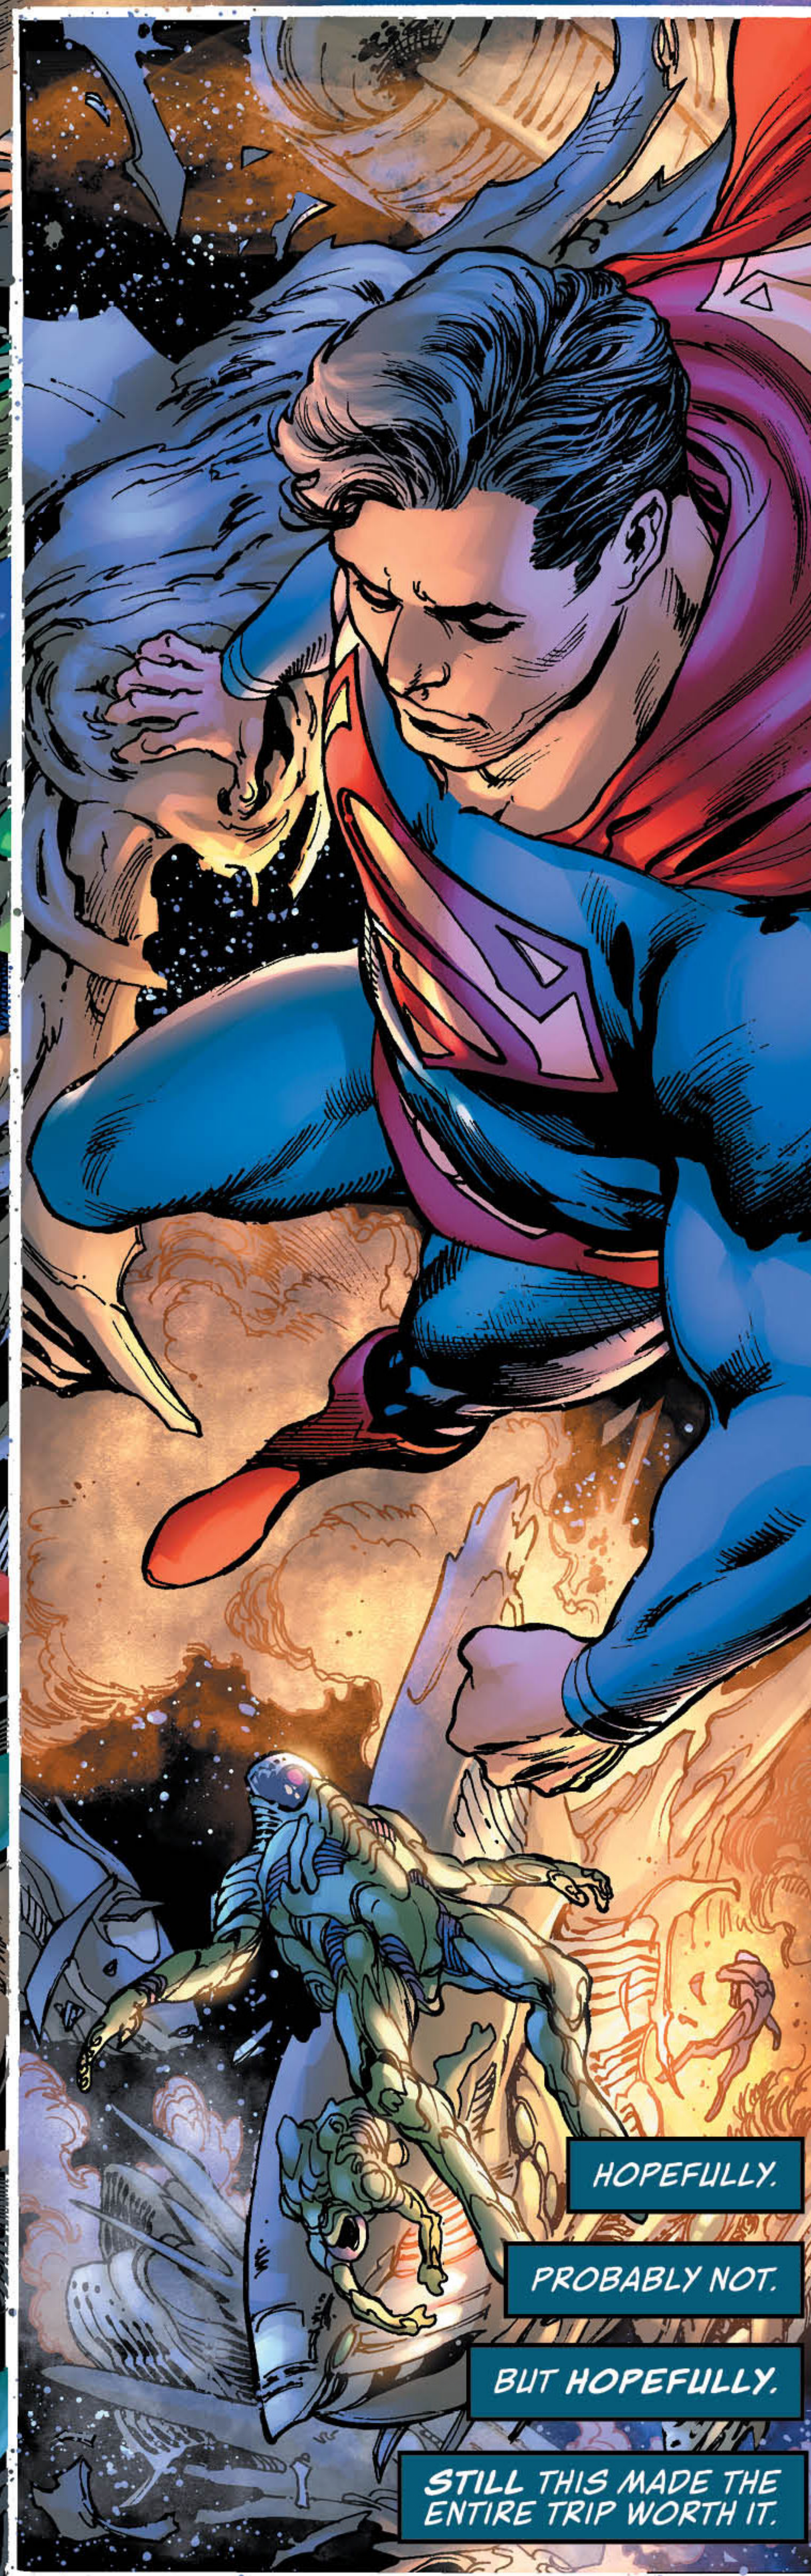

FOR YEARS, THE DOMINATORS  
WILL WONDER HOW THEIR INVASION  
OF EARTH WAS THWARTED BEFORE  
THEY EVEN GOT NEAR IT.

I ASKED FOR  
A SIGN...

THIS SHOULD HAVE THEM RETHINKING THEIR PLANS.

HOPEFULLY.

PROBABLY NOT.

BUT HOPEFULLY.

STILL THIS MADE THE ENTIRE TRIP WORTH IT.

AND IT POLITELY REMINDED ME WHERE I AM ACTUALLY NEEDED.

I KNOW YOU HAVE THIS, LOIS.

I KNOW YOU'RE OKAY.

I'M JUST--
