

YOU'VE GONE THROUGH SO MUCH EFFORT TO BUILD AN ARMY OF MINDS. SEEMS A *WASTE* NOT TO APPLY THEM TO THIS MYSTERY.

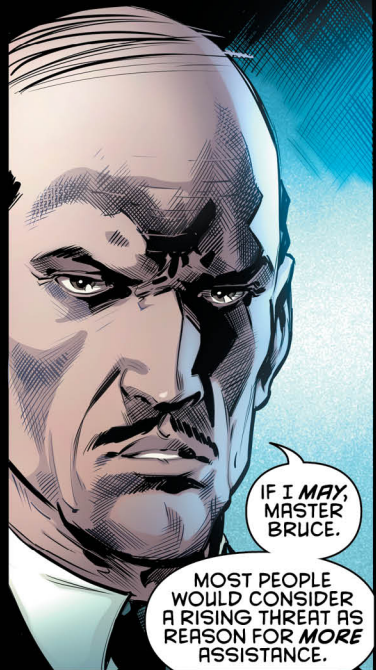

THEY'RE *OFF THE FIELD*, ALFRED. KARMA IS TOO DANGEROUS.

IF I *MAY*, MASTER BRUCE.

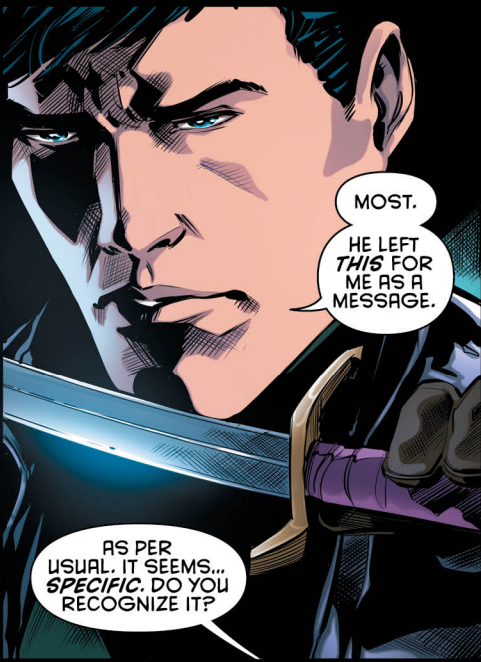

MOST PEOPLE WOULD CONSIDER A RISING THREAT AS REASON FOR *MORE* ASSISTANCE.

MOST.

HE LEFT *THIS* FOR ME AS A MESSAGE.

AS PER USUAL, IT SEEMS... *SPECIFIC*. DO YOU RECOGNIZE IT?

PEOPLE WITH *HYPERTHYMESIA* HAVE THE ABILITY TO REMEMBER EVERYTHING THEY HAVE EVER EXPERIENCED. THE PAST IS ALWAYS THEIR PRESENT.

I WASN'T AWARE YOU *HAD* THAT TALENT.

I DON'T.

A RIDE THROUGH THE CLIFFS WILL HELP ME. I'LL PUSH THE CAR. ADRENALINE WILL JOG MY MIND.

AH.

ANOTHER SEMI-CALCULATED RISK TO YOUR WELL-BEING, I SEE.

I WOULDN'T WAIT UP, ALFRED.

ON THE OUTSIDE

The man in the mask knows me. He called me "Bruce."

So I must know him.

Members of the League or the Court have more discipline. More control.

This man is fury.

And he left me a blade as a calling card.

Ra's taught me to treat memory like a museum.

All you have to do is walk through the halls and find the rooms.

It's how he keeps a thousand years in his mind.

I prefer to consider memories like decks of cards. You flip through them all.

Just to find one joker.

The dagger. Gold handle. Hand-forged blade.

Where have you seen it--

--Detective?

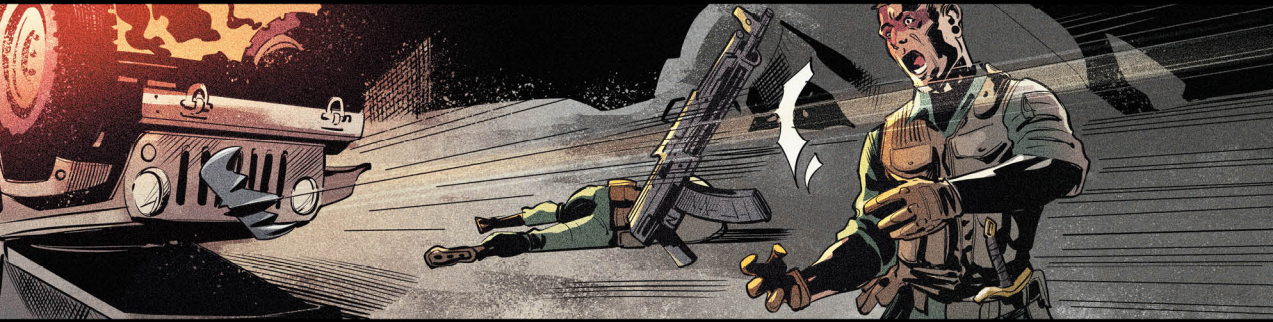

Where?

**MARKOVIA.
YEARS AGO.**

**WHERE
ARE
YOU?!**

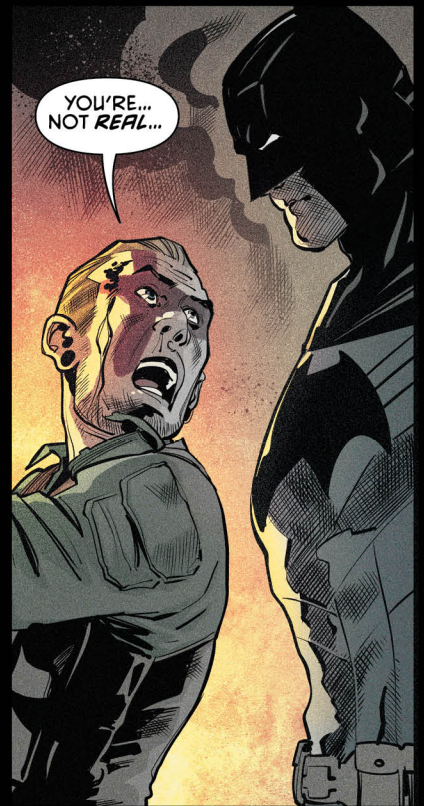

**OH
GOD...NO...
NO...**

**THE PEOPLE OF
MARKOVIA NEED
FREEDOM.**

**NOT GUN-
