Runaways

When they were younger, Nico Minoru, Chase Stein, Gertrude Yorkes, Karolina Dean, Molly Hayes and Alex Wilder became friends through circumstance: hanging out once a year while their parents had what they claimed was a dinner party. After discovering their parents were actually the super villain team known as the Pride, the kids ran. The Runaways learned to use powers and resources inherited from their parents, and returned to defeat them. The experience made them a family, but that wasn't enough to keep them safe.

There've been a few setbacks--Molly's best friend who wanted her to stay thirteen forever, Karolina and her girlfriend broke up--but the Runaways are rebuilding as best they can. Chase and Nico have jobs, Molly and Karolina are in school, everyone is hanging out at the Hostel, and with the surprise return of Victor's former teammate, Doombot, Victor's closer than ever to having a new body. Although he's seemed reluctant about the idea ever since he came back from the death he still won't talk about. And then there's Gert...

Saturday morning.

On Saturday mornings, they used to wake up late and stay in bed even later.

Until their stomachs were growling. Then they'd go out--just the two of them, if they could help it. (They couldn't always help it.)

What are you working on?

Secret project.

Shouldn't you be working on Victor?

Runaways

They'd get cheap coffee and egg sandwiches, and find a place at the lake or the farmers market where they could sit and watch people go by.

Not until later. Doombot is bringing over some parts.

Can you hand me that wrench?

Where people could watch them.

Where people could wonder...

What's up? Did you need me for something?

No. I'm just... bored.

You should go out. Get some air.

"What's a guy like him doing with a girl like her?"

Am I The Same Girl You Used To Know
