JUST SOME JUICE IS FINE. THEN I GOTTA GET TO WORK.

THANK YOU, CHI.

OF COURSE.

BUT HONEY, YOU GOTTA HAVE SOME FOOD, TOO.

YOU KNOW, IF YOU'D HENSHIN BACK DOWN I COULD MAKE YOU A REAL BREAKFAST.

WE HAVE SOME OF DAD'S OLD 3-D PROTEIN REPLICATORS LEFT IN THE BACK. DO YOU WANT SOME EGGS?

N-NAH, THAT'S OKAY. I'D uh, I'D RATHER STAY BIG.

Y'KNOW? J-JUST TO SAVE TIME. I GOTTA--

RIGHT. NO, OF COURSE. YOU DO WHAT YOU NEED TO.

SO HEY, I ENDED UP TALKING TO SOME OF DAD'S OLD CLIENTS YESTERDAY. JUST SMALL ONES.

THEY'RE GONNA PICK UP A COUPLE SURPLUS MV-6 MECHS, Y'KNOW, MOSTLY FOR OCEAN CLEANUP OR A PARADE OR THINGS LIKE THAT. THEY'LL PICK THEM UP TOMORROW.

WOW, THAT'S GREAT. THAT'LL LAST US A FEW MORE MONTHS, MAYBE?

I DUNNO. BUT WITH THAT AND YOUR PAYCHECK THIS WEEK WE CAN GET THE REACTOR CORE FIXED. GET SOME HOT WATER FINALLY.

AGH, RIGHT, THE CORE! I FORGOT ABOUT THAT. THIS DAMN PLACE.

I KNOW. IT'S FALLING APART. I'M SELLING DAD'S OLD STUFF AS FAST AS I CAN, BUT IT'S HARD.

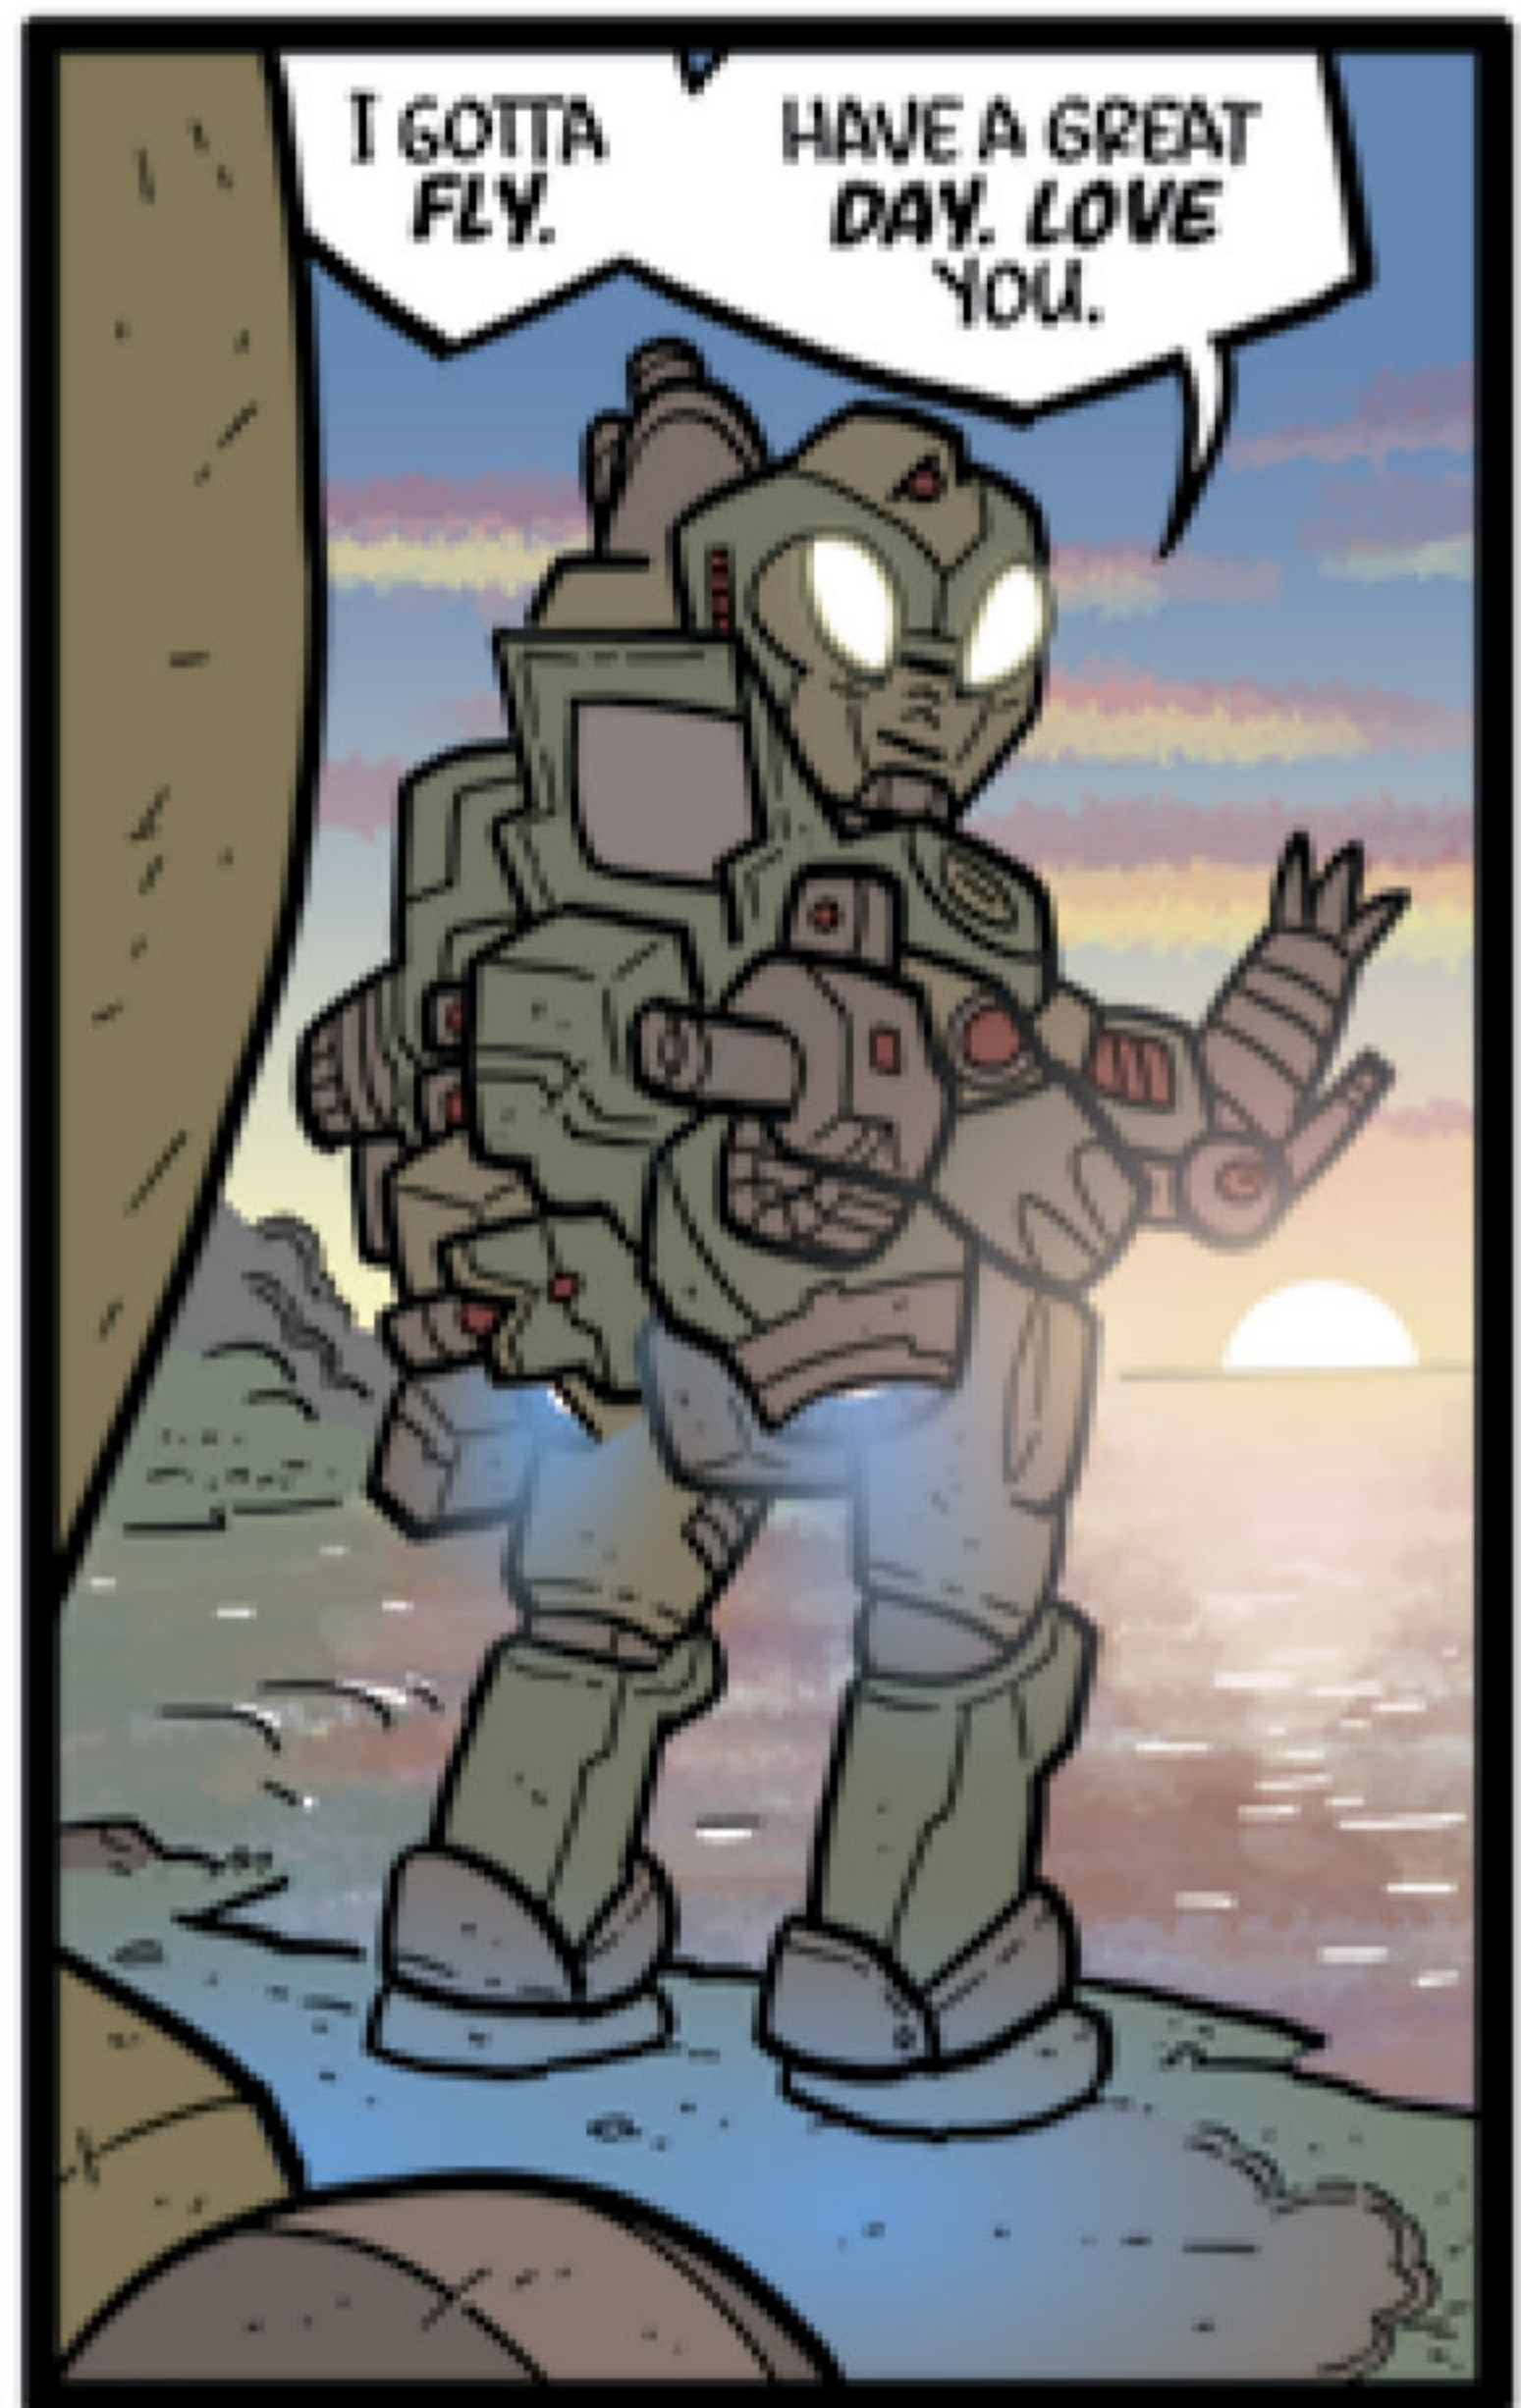

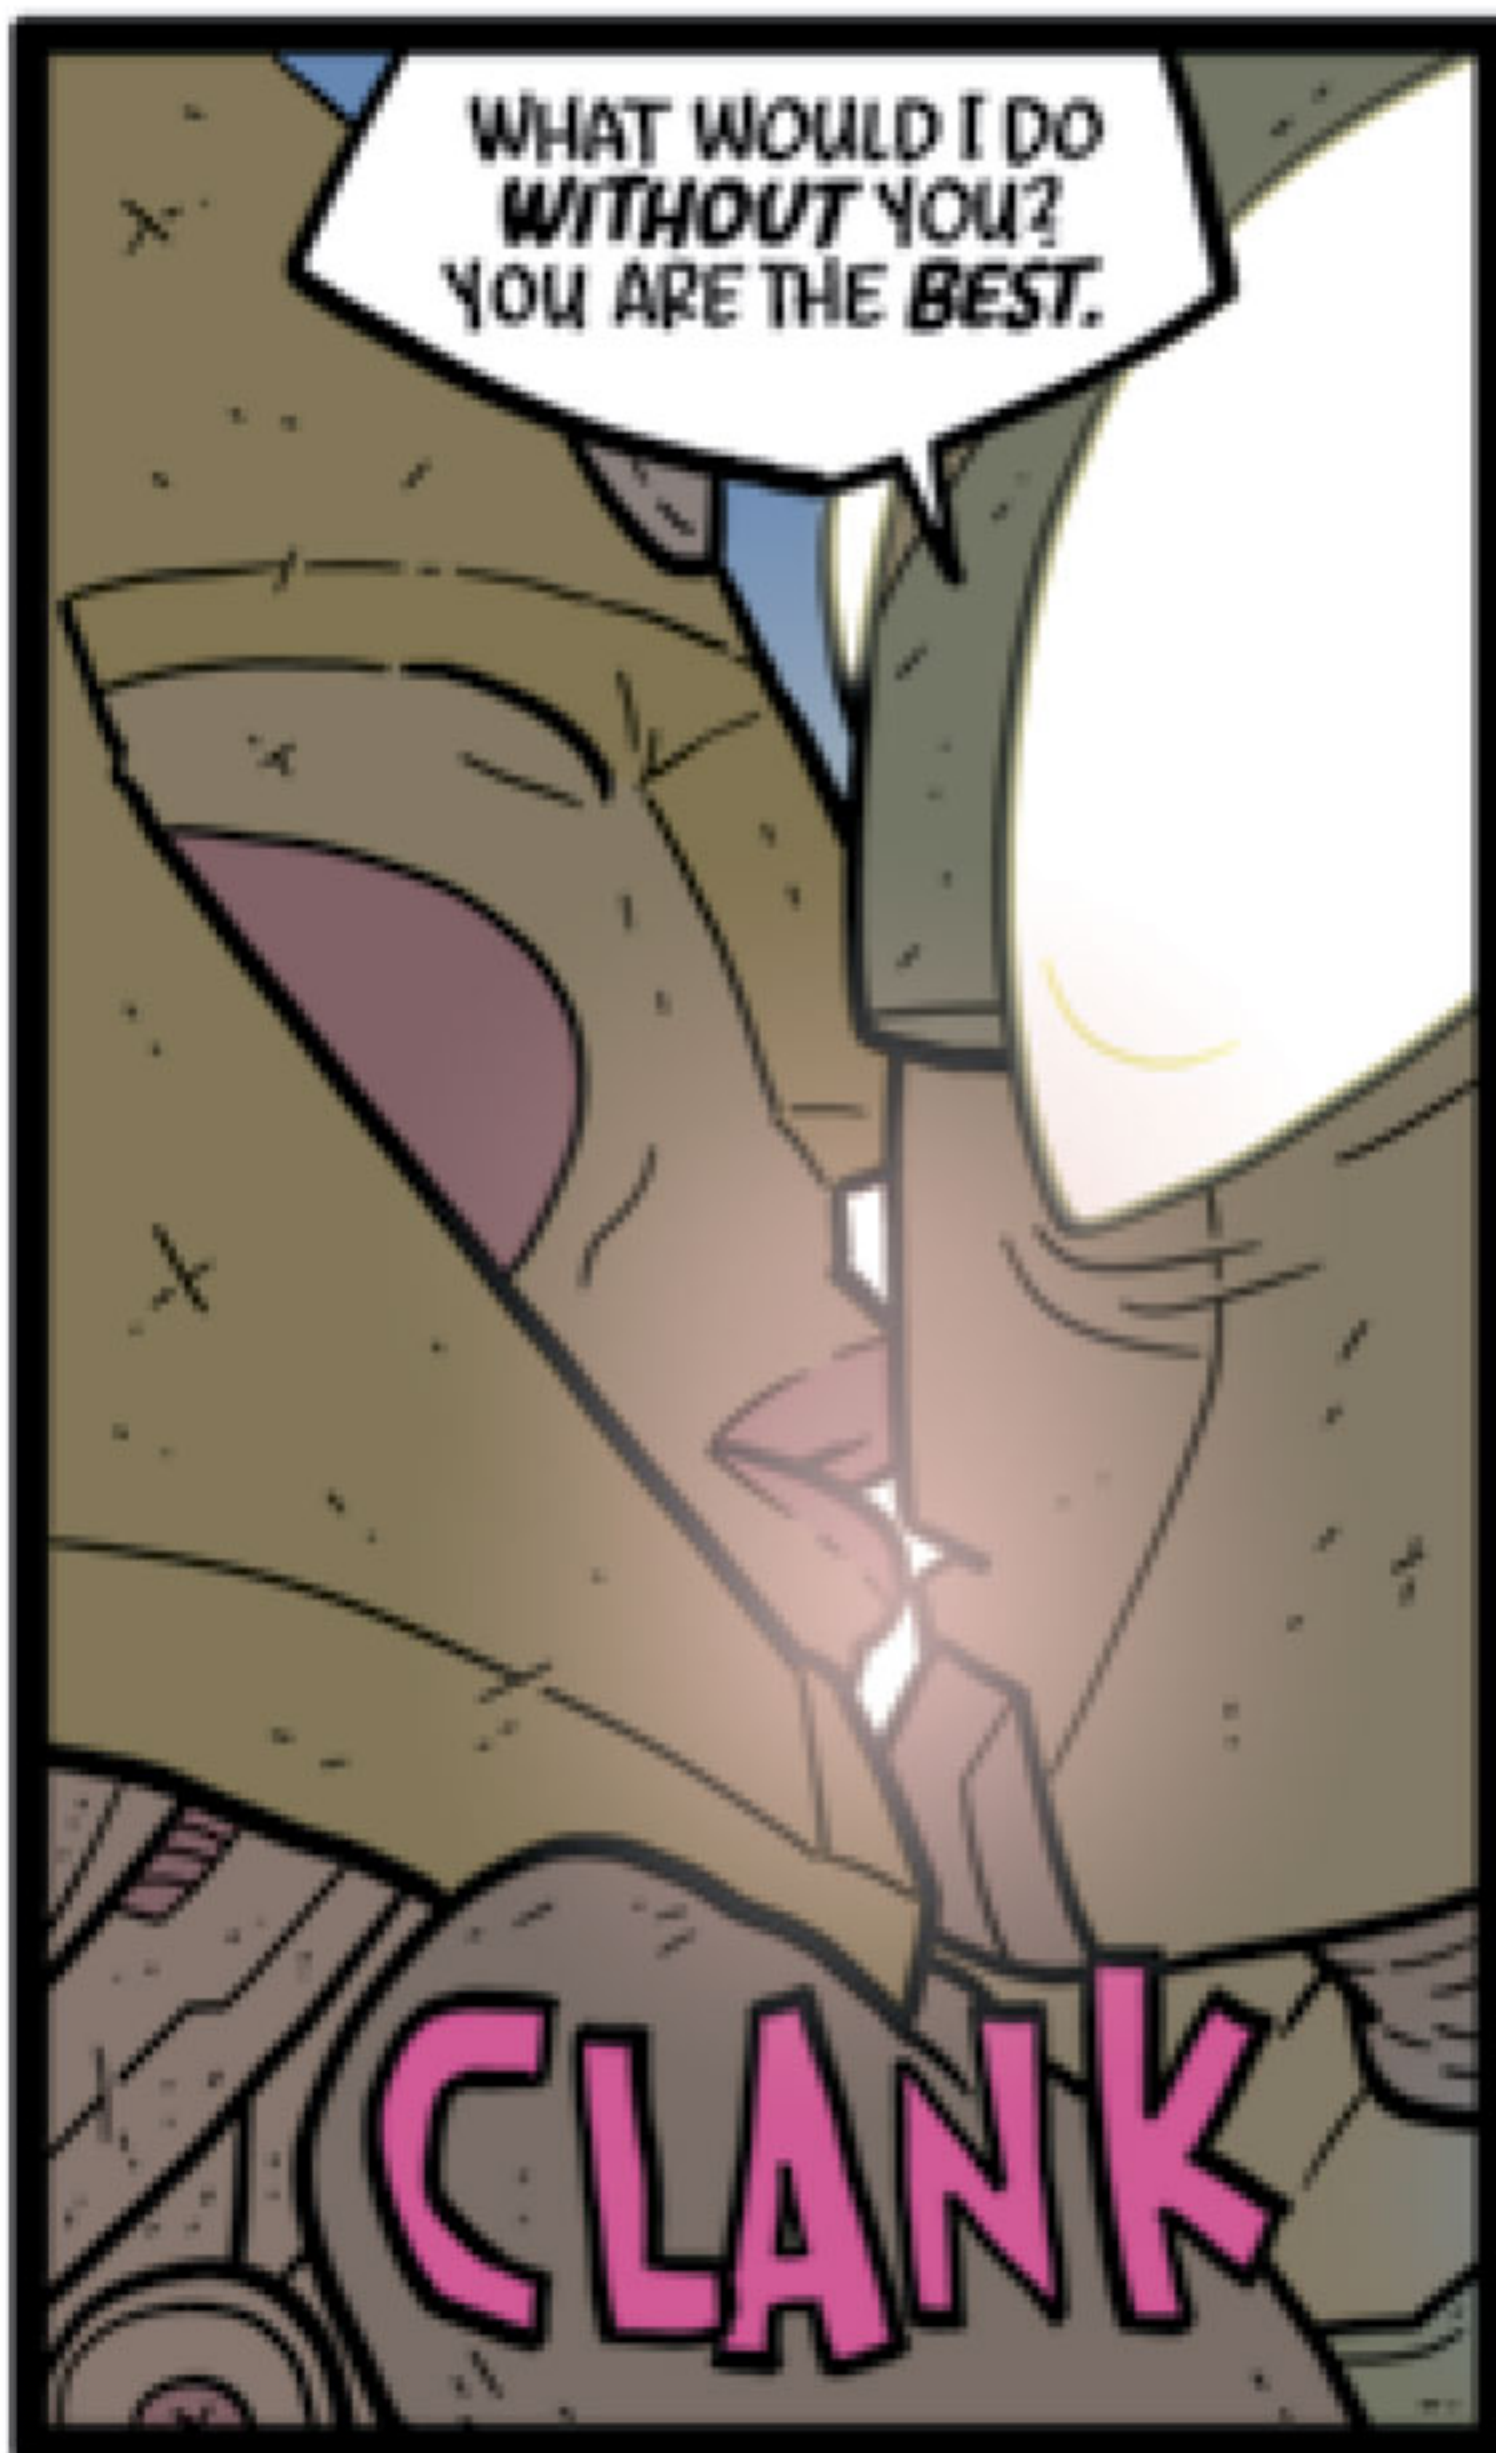

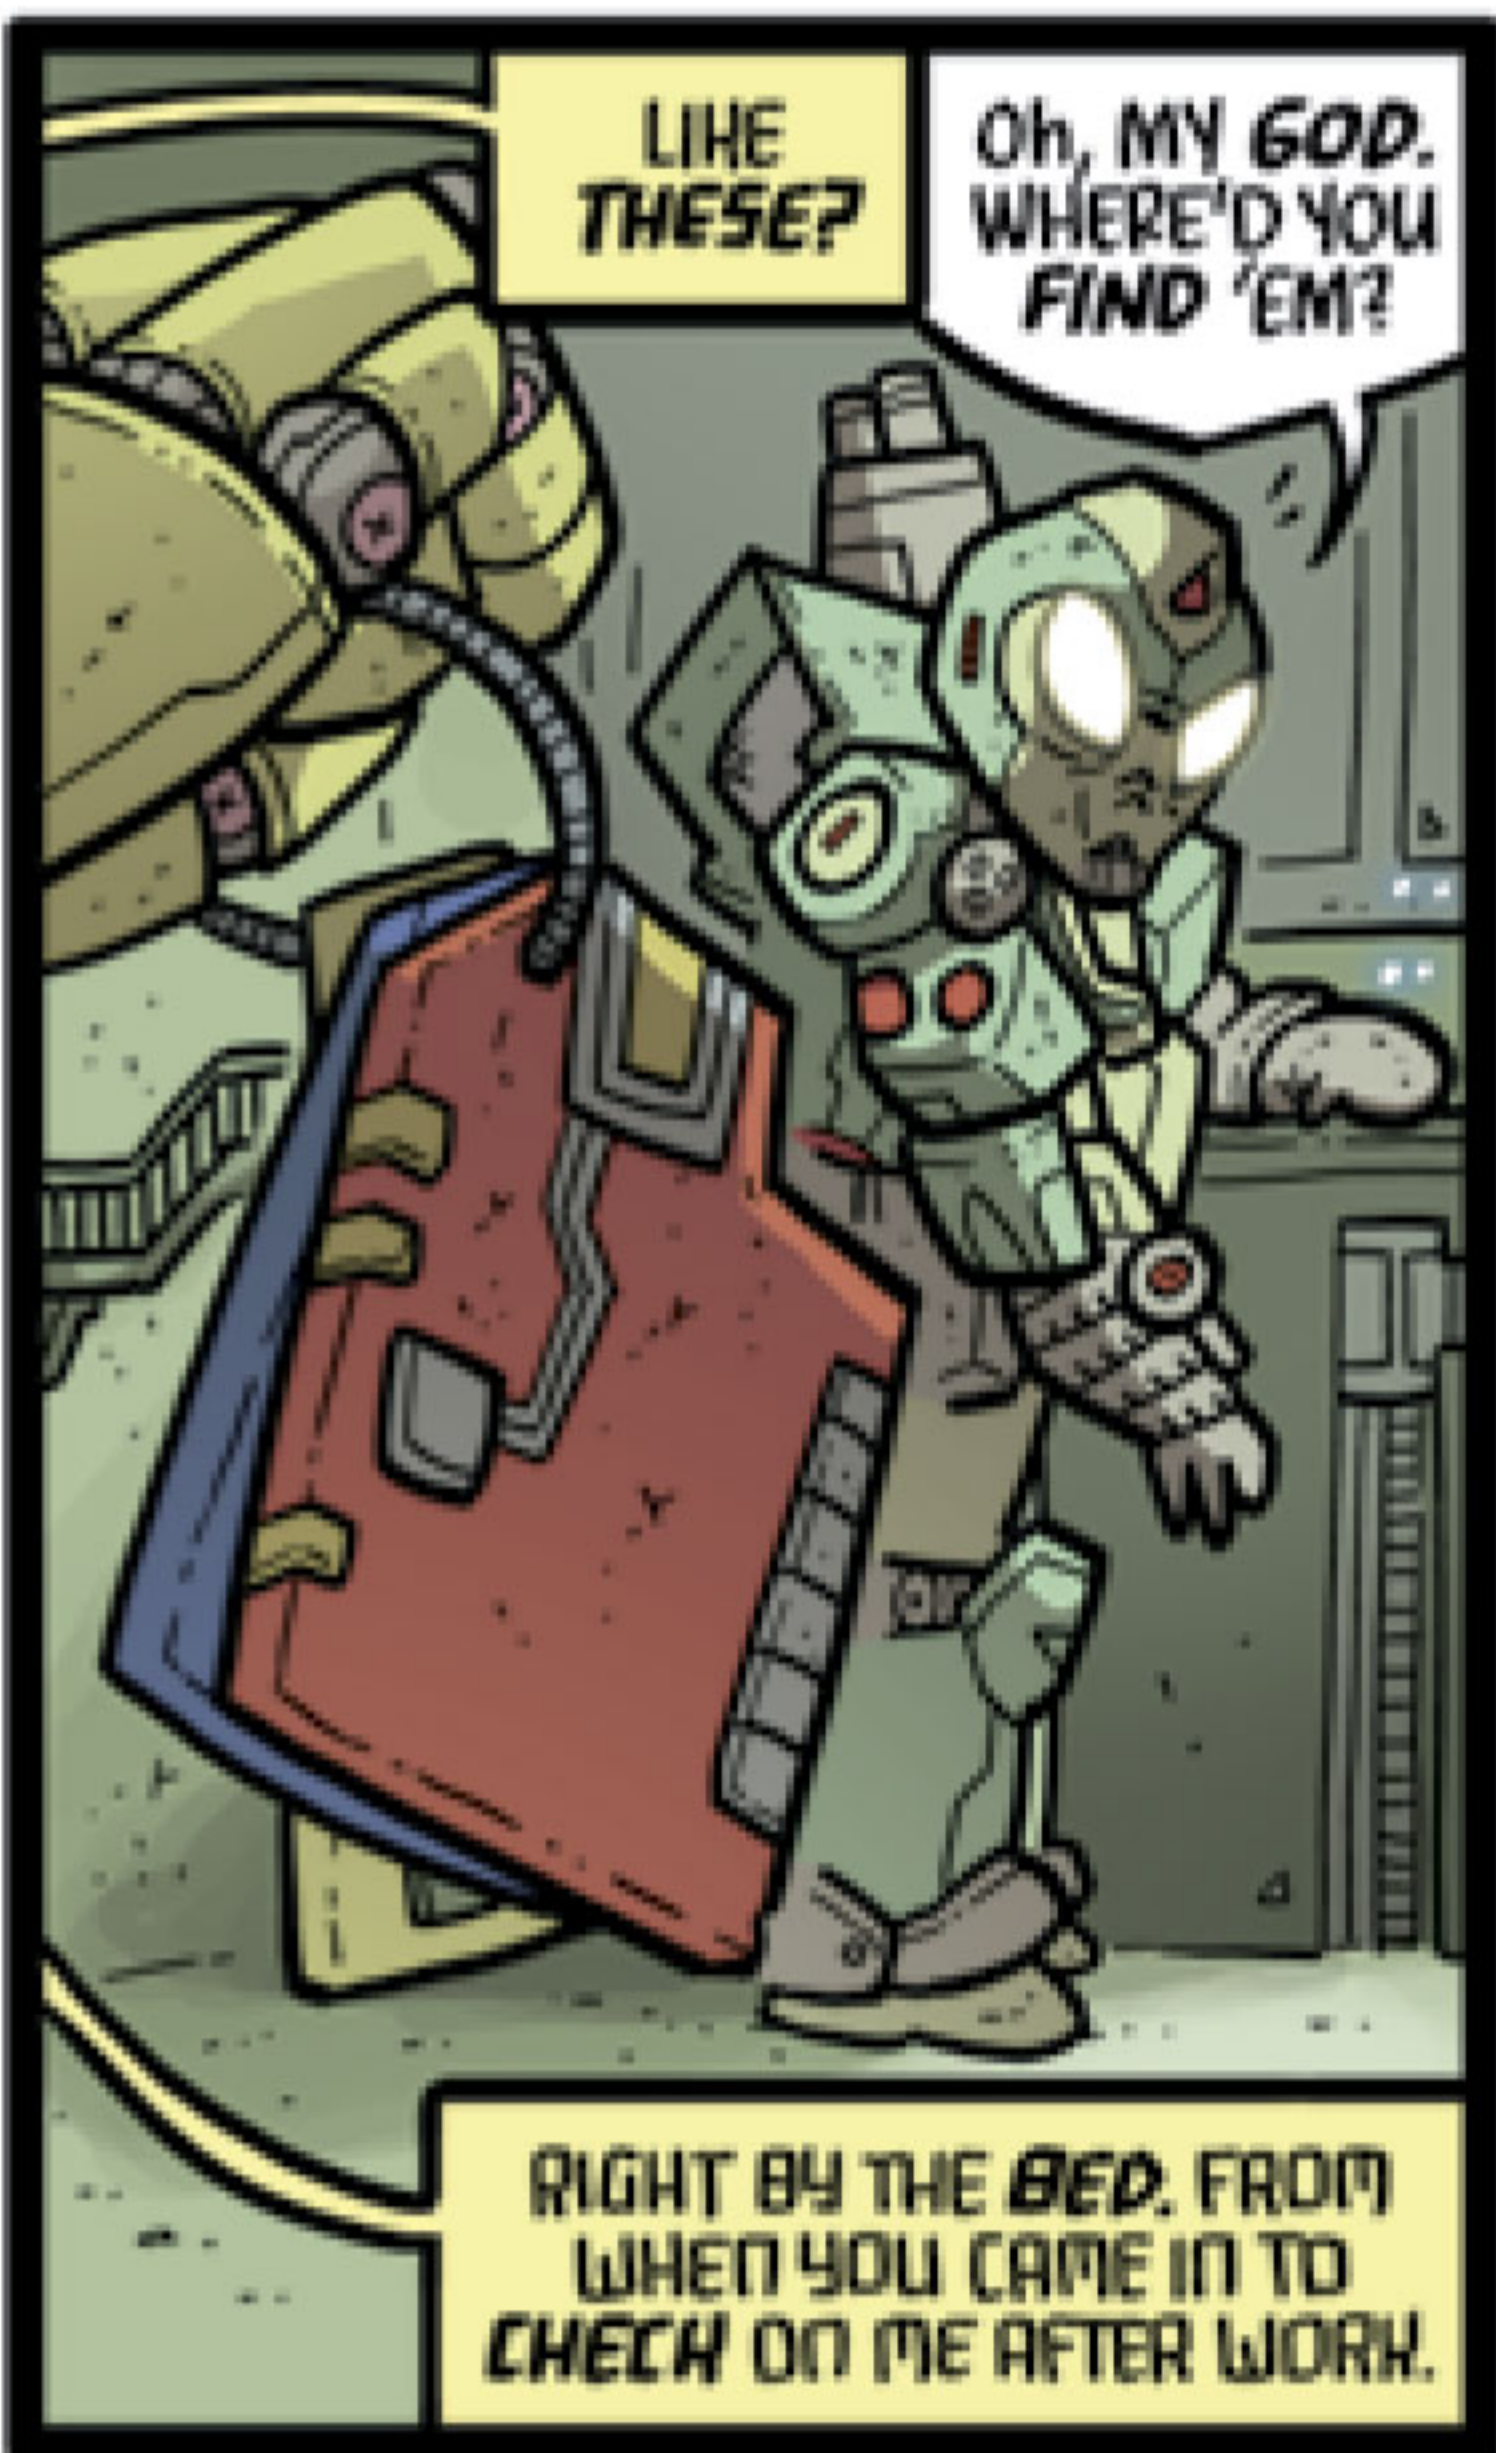

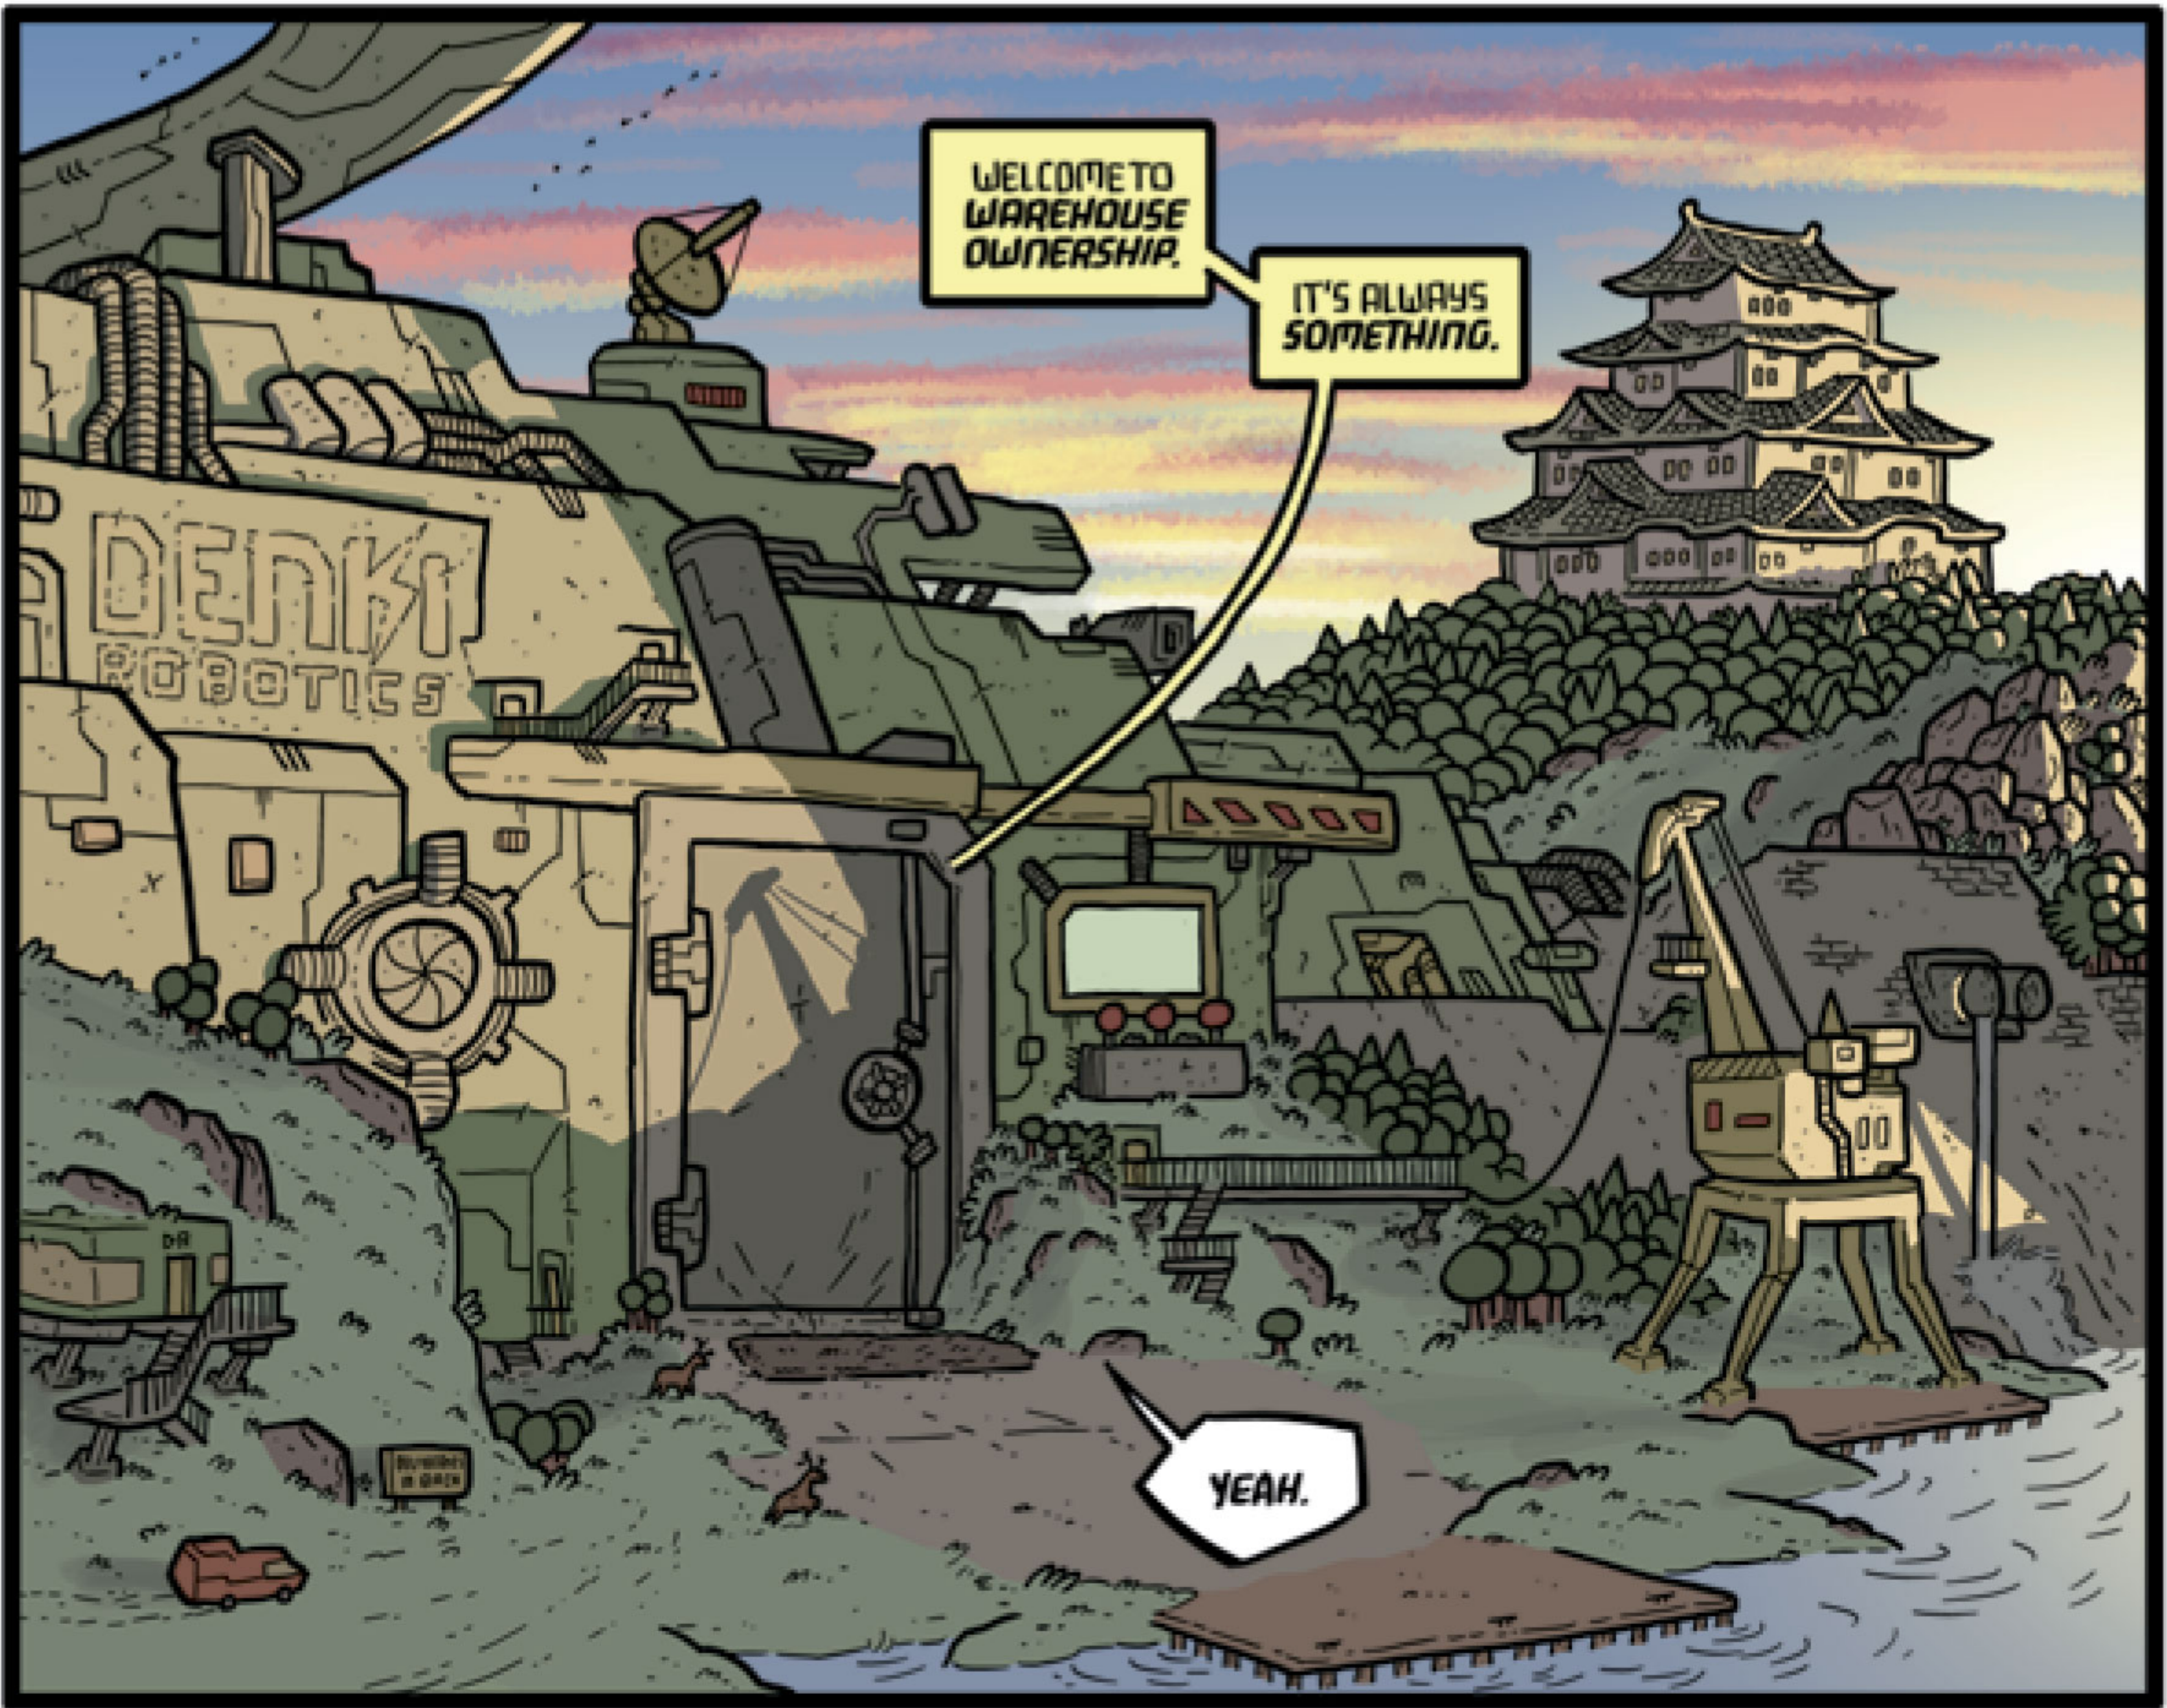

MOST PLACES ARE GETTING THEIR SHIPS FROM THOSE MECHBROS OVER AT GRIDBOT NOW.

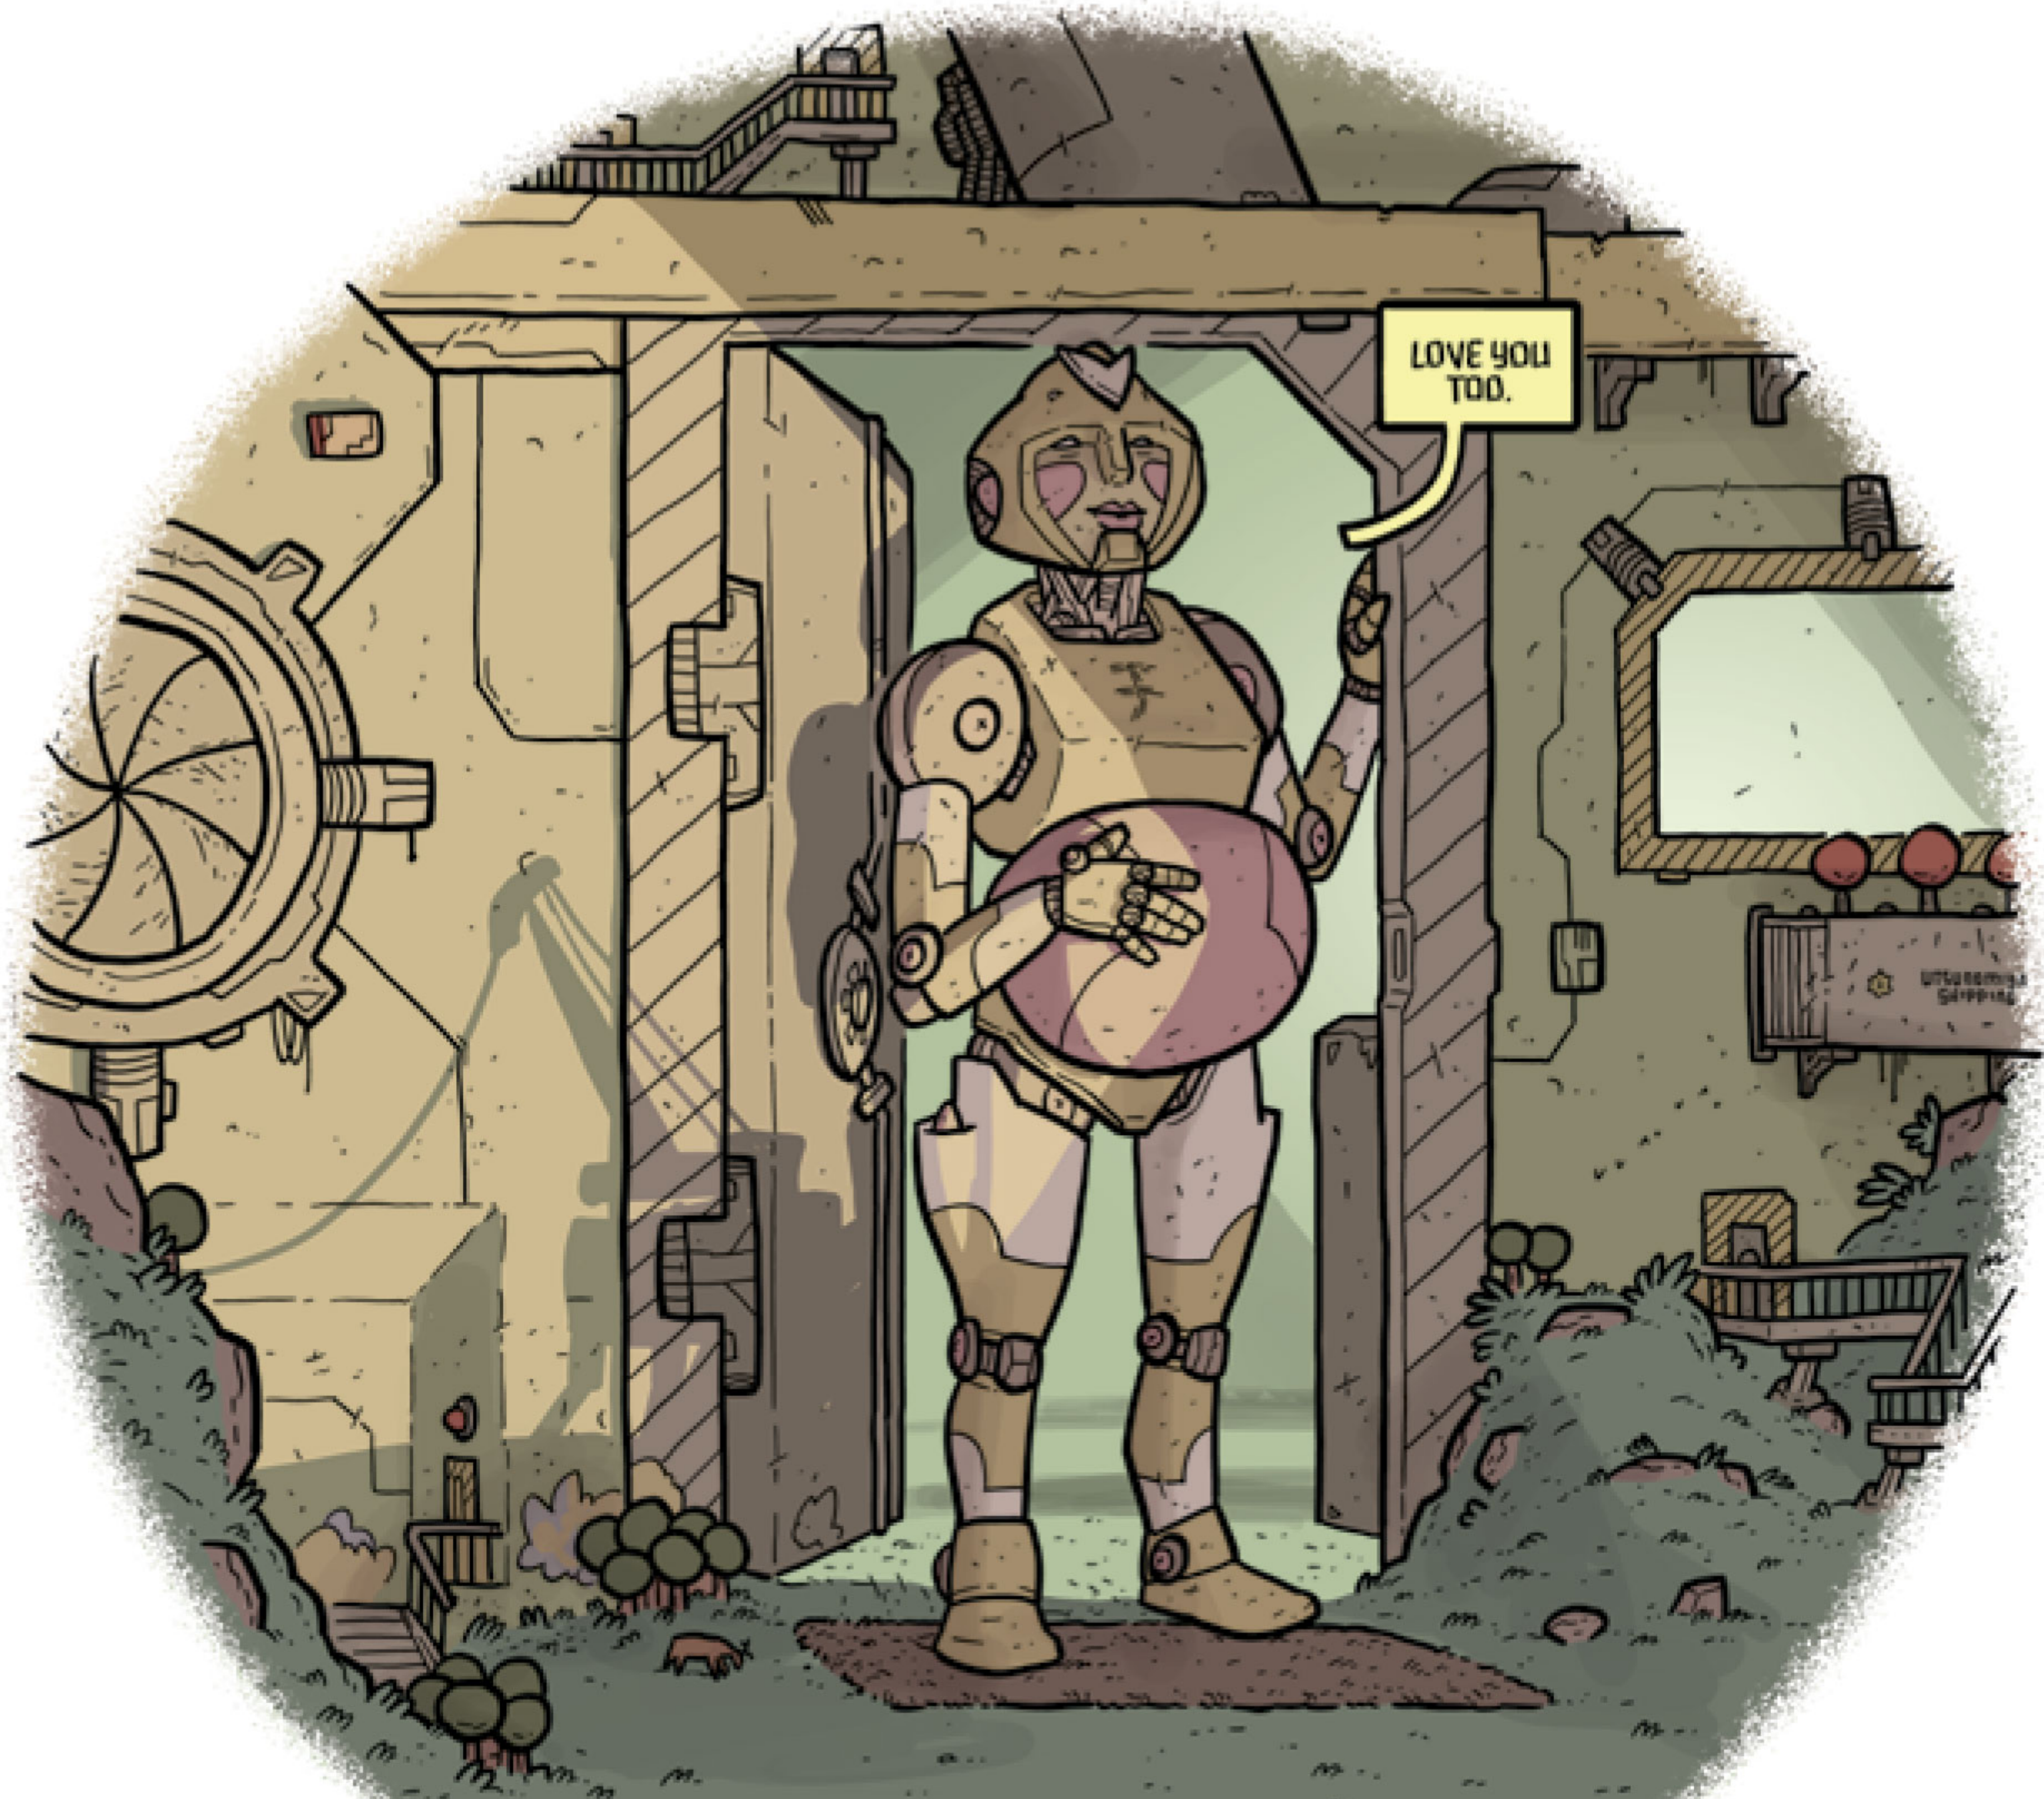

I JUST-- WE GOTTA GET OUR HEADS ABOVE LAVA FOR A MINUTE.

ALL IT WOULD TAKE IS LIKE SIX MONTHS WHERE NOTHING BROKE, YOU KNOW?

YEAH, WELL...

the BIG THINGS
