

Good morning, and thank y'all for listenin' in to "Preacher Ray" dio on CB-103!

I'm on the road with another sermon extreme--

-- and I got a feelin' that it will truly enlighten somma you folks.

I believe I had a highly pro-found religious experience yesterday morning.

The Lord took a moment on an ordinary day to show me somethin' new... To pull my eyelids a little wider...

... open the blinds set on the window of my mind.

They were already cracked a little bit...

... but He daggum yanked 'em all the way up, and lemme tell ya, nearly blinded me!

The Lord said to me, Raymond, you are too sexy for the world.

Watch yourself, 'cause the ladies just can't handle it anymore.

SHUFFLE
SHUFFLE

I all tall, kin

--I count myself blessed, but sometimes it feels more like a curse!

Ha ha!

Can I get an amen?

Shut the hell up!

How you holdin' up, Billie?

I'm not.

Uh, I changed my mind...

Let's keep this channel clear...

This is the guy we're picking up?

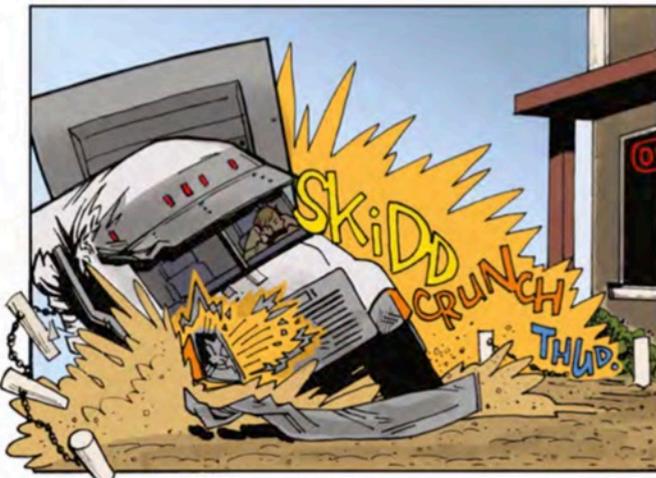

Sure is.

He sounds like an idiot.

Ray is a good man, trust me.

He's just not so good with...

words.

Howdy!

Woah!

I'm five.

Nice to meet you, five--

I'm hungry.

I think I'ma try somma them hoovis ranch-a-roos.

Ain't never had those before.

'Cept y'all got any other type of dressing?

'Ranch gives me the toots.

It's *huevos rancheros*...

...you *pendejo*.

Do I know you?
