## KILL KREW

The War of the Realms came to Earth and spread across the globe. Frank Castle, known by many as the Punisher, was on the streets in New York City battling the Frost Giant Kasyckla when an innocent family got caught in the crossfire. While Frank tried to rescue the family, Kasyckla escaped. Only the father, Frank Jones, survived.

The war may be over, but Frank Castle has some unfinished business: He promised to avenge Jones' family by killing Kasyckla, and Frank Castle keeps his promises.
