Born with heightened senses, retractable claws and an incredible healing factor, Logan was already a formidable hunter before a secret government agency subjected him to an incredibly painful procedure that bonded the unbreakable metal Adamantium to his skeleton—turning him into the lethal mutant known as **WOLVERINE!**

Turned into a half-vampire in the same attack that killed his mother, Eric Brooks took the name **BLADE** and has dedicated his life to mastering various martial arts and channeling his vampiric abilities—such as heightened speed, strength and healing factor—to fashion himself into a weapon against the undead!
