REBELS AND ROGUES: THE STRANGER!

REBELS AND ROGUES

Part II

The evil Empire has dispatched countless probes to scour the cosmos in the hope of finding the Rebel Alliance. In response, the rebels have enacted a daring plan!

While Luke Skywalker attempts to lead the Empire away from a rebel refueling station, Princess Leia Organa and smuggler Han Solo have been sent to the planet Lanz Carpo to destroy their enemies in the Carpo Crime Syndicate by convincing the Empire of collusion between the gang and the Rebellion.

Meanwhile, Chewbacca and C-3PO were armed with explosives to set off a chain reaction that would destroy the uninhabited planet of K43—taking any nearby Star Destroyers with it. But K43 isn't as deserted as Chewie and C-3PO thought! And an old flame from Leia's past may complicate matters on Lanz Carpo. . . .
