

"THE SUIT AND BELT WORK TOGETHER, HARNESSING TOP-SECRET TECHNOLOGY."

"THE HELMET FOCUSES A FIELD--CREATED BY THE BELT--DIRECTLY INTO YOUR BRAIN, GIVING YOU HEIGHTENED REFLEXES."

"THE BELT'S RADIATION FIELD CAN ALSO BE CHANNIELED TO ENHANCE YOUR BODY'S POTENTIAL."

"YOUR STRENGTH SHOULD BE NEARLY DOUBLED, SAME WITH YOUR RESISTANCE TO INJURY."

"THIS FIELD IS HEALING YOUR SPINAL INJURY, AND, PERHAPS OVER TIME, YOU MAY REGAIN FULL USE OF YOUR LEGS, BUT, FOR NOW, WHEN THE SUIT TURNS OFF, YOUR INJURY TURNS BACK ON..."

...OH, AND WE'VE UPDATED THE DESIGN. MADE IT LESS...

LAME?

AND, FINALLY THE BEST PART.

HOLD ON TO YOUR BALLS, MARNE.

GUY'S GOING TO GET KILLED.

WHICH I'M SURE WOULD BREAK YOUR HEART.

BRING HIM DOWN AND GET HIM READY. HE'S GOT A DEBT TO MAKE.

HE'S NOT ONE OF US, SIR. HE'S GOING TO SCREW THIS ALL UP.

HE'S GOING TO STAY OUT OF OUR WAY, SHARP. YOU'LL MAKE SURE OF THAT.

AS LONG AS THE REMOTE CONTROL BACKUP WORKS, THIS'LL WORK FINE.

YOU'LL KEEP HIM IN LINE WHEN HE'S SKYMAN, AND WITHOUT THE SUIT, HE'S IN TOO MUCH PAIN TO BE ANY REAL TROUBLE.

YES, SIR.

WELL, THAT IS AWESOME.

EXCELLENT! I KNEW YOU'D TAKE TO IT.

LIEUTENANT SHARP IS GOING TO MAKE SOME ADJUSTMENTS, AND WE'LL HEAD OUT AT 1400.

FOR WHAT?

YOUR DEBT.

CAN I AT LEAST CALL MY WIFE?
