*The best method of knowledge is to understand  
things by clearly by looking for the  
truth in what is given by the eyes of our  
senses. It is not a matter of giving the  
truth to the eyes of our senses. It is a  
matter of giving the truth to the eyes of  
our minds. The most important thing is  
to see things as they are, not as we  
wish them to be. It is not a matter of  
giving the truth to the eyes of our  
senses. It is a matter of giving the truth  
to the eyes of our minds. The most  
important thing is to see things as they
