Re: Special Class Absence

Hey Storm,

Remember when I said I was taking my X-Kids Special Guidance class on a field trip to the Museum of Natural History? (I'm pretty sure I told you I was doing that.) So Stegron the Dinosaur Man (one of my bad guys) and Sauron the Pteranodon Man (one of your bad guys) attacked it and Sauron taught Stegron how to drain people's life energy and now we've been kidnapped by them and they took us to Staten Island (I know, right?) which they turned into a dinosaur place they call Savage Island and oh yeah Shark-Girl turned into a bad guy and joined them!

So we might be late getting back to the school.

Toodles!  
Prof. Spidey

See! Told you  
I sent you an
