# DEADPOOL! TOO SOON?

When Deadpool called up the funniest characters in the Marvel Universe to a creepy mansion on Long Island, all he wanted to do was snap the greatest Christmas card photo of all time. But when the camera flashed, Forbush Man fell over dead – and now it's up to Deadpool to figure out which of the panoply of assembled powers is a stone-cold killer!

To make matters worse, one by one Ant-Man, Rocket, and Groot have lost their heads – literally! A shadowy figure keeps killing off Deadpool's buddies, but when he tries to warn Squirrel Girl, he discovers that she's gone missing...and in her place is a monster that's half Deadpool and half Squirrel Girl. Even weirder? It's calling him 'daddy'!
