

THE  
PORTAL! IT'S  
SUUCKING UP  
EVERYTHING IN  
THE VICINITY!

IT HAD  
BETTER SHUT  
SOON--MY  
FINGERS ARE  
SLIPPING!

...AND  
DEPOSITING THEM,  
HARMLESSLY, IN  
OUTER SPACE.

AN INGENIOUS  
DEVICE WITH  
SO MANY USES,  
I'M SURE YOU'LL  
AGREE.

NOW, I COULD HAVE  
SENT THOSE MISSILES  
RIGHT BACK TO THE  
U.S., BUT I WOULDN'T  
WANT RADIATION  
RUINING SOME PART  
OF MY NEW COLONY.

SEE, I'M  
ALREADY A BETTER  
STEWARD OF THE  
PLANET THAN YOU.  
HOWEVER...

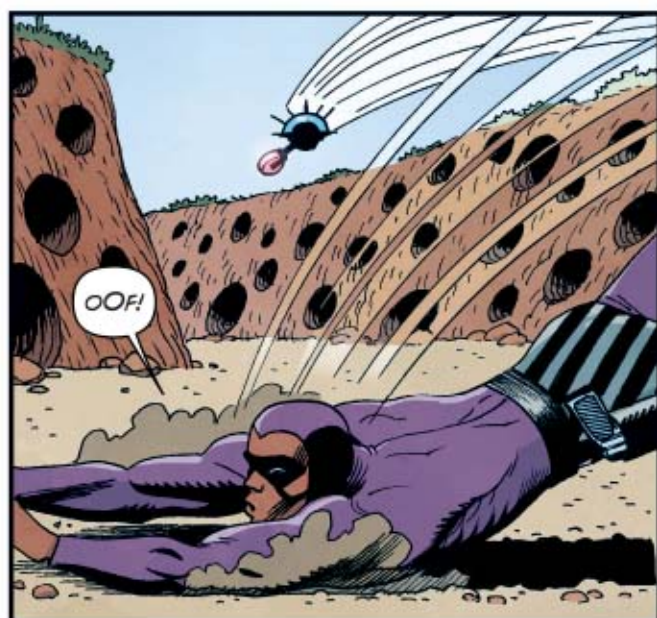

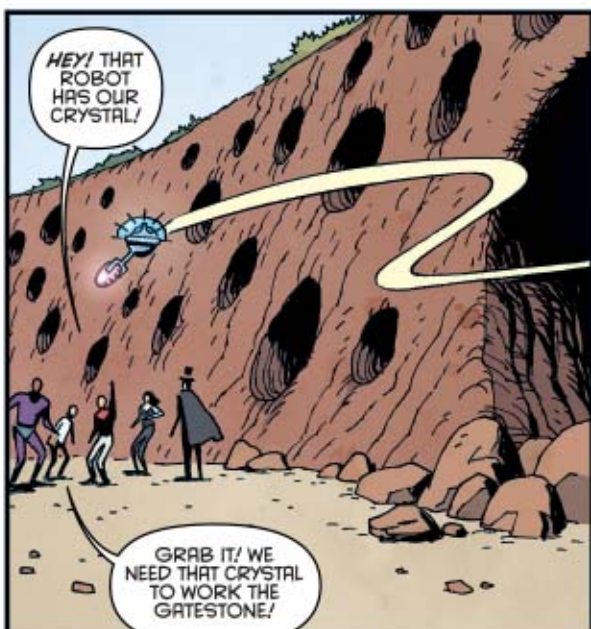

...SHOULD YOU  
LAUNCH ANOTHER  
SUCH ATTACK, I  
WILL NOT BE SO  
THOUGHTFUL.  
GOOD DAY.

WELL, THAT  
WAS STRESSFUL.  
BUT I'M GLAD  
WE'RE NOT BEING  
NUKED IN OUTER  
SPACE RIGHT  
NOW.

YAAAAAY.

I NOW SEE  
WHY NATURE  
HATES A  
VACUUM!

UNFORTUNATE,  
USING THE CRYSTAL  
WOULD HAVE BEEN  
A FINE MOVE,  
WHICH IS WHY I  
COULDN'T LET THAT  
HAPPEN.

LUCKILY, IT  
WASN'T DIFFICULT  
TO TRACK YOUR  
PROGRESS, VIA THE  
SIGNAL FROM THE  
GOOD DOCTOR'S  
PHONE...

...AND, AS YOU  
SAW, MY ROBOT  
SPY WAS ABLE  
TO HANDLE THE  
REST. USEFUL  
FELLOW!

YES,  
FLASH?

YOU...  
OUTMANEUVERED  
US. WELL DONE.
