JESSICA JONES

Jessica Jones, a former costumed super hero, is now the owner and sole employee of Alias Investigations--a small private investigative firm.

Not long ago, the nefarious Purple Man used his persuasive powers to destroy Jessica's life. Jessica was eventually able to overcome his control and defeat him, and he was taken into S.H.I.E.L.D. custody.

But after the rise and fall of the Hydra Empire, S.H.I.E.L.D. was disbanded. No one knew where Purple Man was...and no one was looking.

Jessica tried to take out Purple Man for good, but after seeing him recover from a fatal bullet wound, Jessica is facing down the horrible revelation that he can't die--and now her immortal nightmare has control of her best friend, Captain Marvel.
