# VIVA AMERICA

That's right, it's me: America Chavez, exile of the Utopian Parallel and student at Sotomayor U. And I'm not new. I'm Teen Brigade, Young Avengers and the Ultimates certified. You don't need to see I.D. I've got my own solo series now, *oíste?*

### LAST PLAYED:

So a while back, I started college with my old friend Prodigy, Sotomayor University, baby!

Then I found out I have a grandmother! Madrimar showed me our people's true home: Planeta Fuertona.

When my mom Amalia was a girl, Fuertona was invaded by creatures called *La Legion*, so she and Madrimar fled the planet.

Years later, I was born on the Utopian Parallel, and Madrimar was called back to rebuild our home world.

Fuertona's creators, Sanar and Berraca, had sealed the planet in an ice age. But it didn't kill *La Legion*.

I just saved Sotomayor from Exterminatrix. Now, Planeta Fuertona needs me. I'm going home.
