

MANRAKE

**COLORADO MOUNTAINS, 1939.**

No one talks about what happened to Five George when the sheriff came to Indian Town.

Everyone knew it was bad news.

No one ever came to Indian Town with good news.

A GIRL HAS COME UP MISSING.

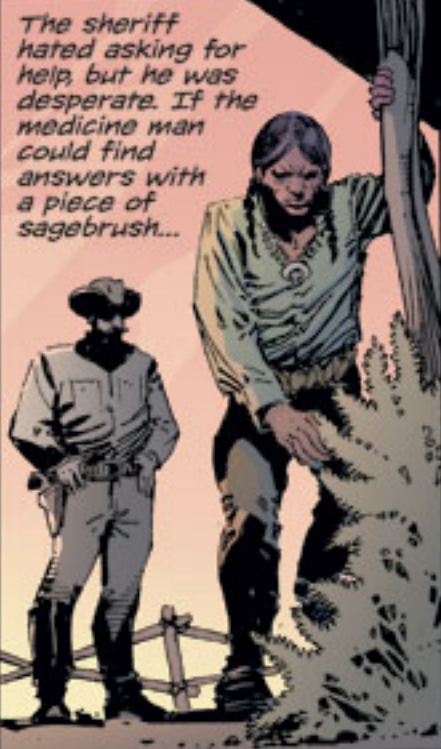

I HEAR YOU CAN HELP ME FIND HER.

ONE OF YOUR PEOPLE OR ONE OF MINE?

ONE OF YOURS.

The sheriff hated asking for help, but he was desperate. If the medicine man could find answers with a piece of sagebrush...

So be it.

Five George slapped the sage against his leg. And listened.

Then he began walking.

Backward.

They say Five George walked from one end of the county to the other, without turning around.

SHE'S  
HERE.

Five George  
gave the  
sheriff what  
he wanted.

A missing girl.

And  
someone  
to blame.
