

HATSUNE MIKU
RIN-CHAN NOW!
VOLUME ONE

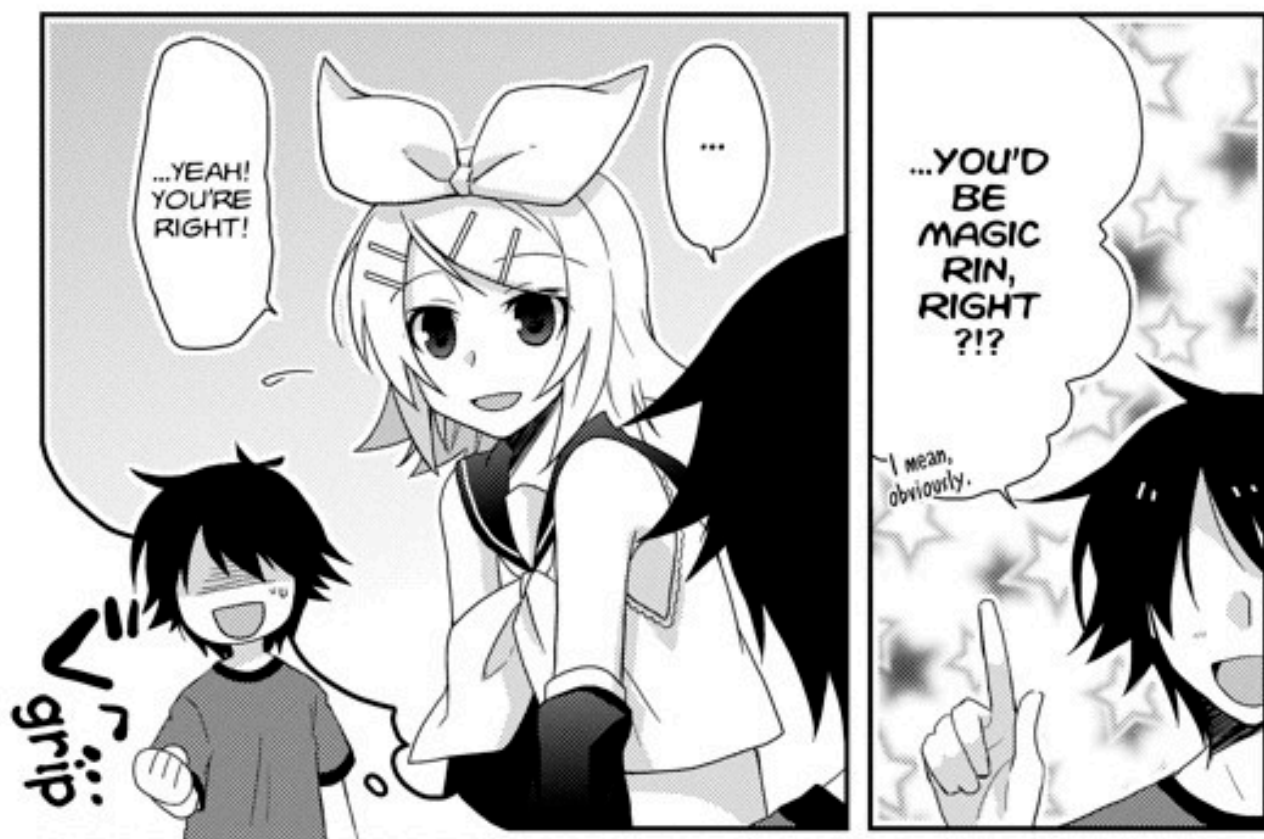

YEAH,
IT
SURE
DOES.

...THIS
BRINGS
BACK
MEMORIES.

>> Kagamine Rin and I met in middle school. Years later, there was a little get-together of our old classmates in a karaoke bar. I imagined her showing up and singing just like she always did. But we'd fallen out of touch, and no one could get a hold of her, or knew what she was up to these days.■

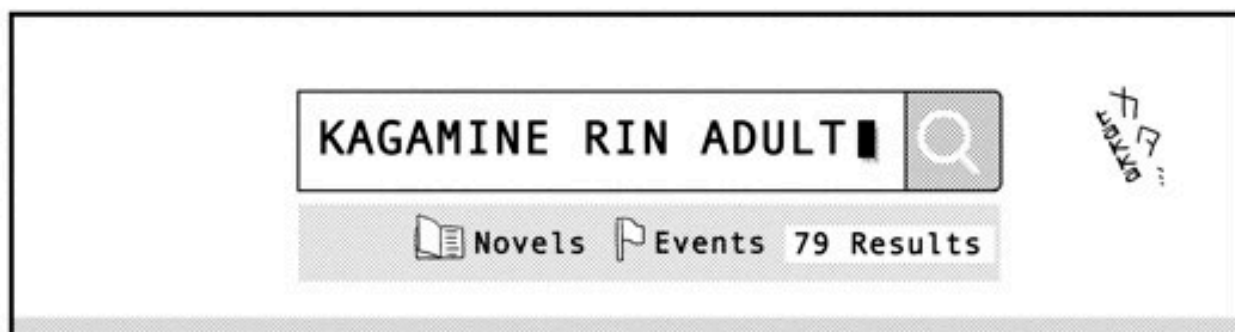

>> I shouldn't have been so pleased with myself for getting something so basic right. But Rin-chan seemed happy.■

>> Rin-chan has to sing in so many different moods as a Vocaloid. You never get to see her practice, though. But I do.■

>> Hopefully this doesn't come off as patronizing... but I consider it part of my job to keep Rin-chan away from the images some people make of her online.■
