GH0STBUSTERS

ANSWER THE CALL

"WHAT DREAMS MAY COME" PART 3

GH^{OST}BUSTERS™

ANSWER THE CALL

DR. ERIN GILBERT

Physicist and co-author of *Ghosts From Our Past*. Still searching for mainstream respect (you can tell from the pantsuit she wears under her jumpsuit).

DR. JILLIAN HOLTZMANN

Engineer with a doctorate in theoretical particle physics. Has a whole mad-scientist-inventor-thing going on. Definitely studies you while you sleep.

PATRICIA "PATTY" TOLAN

Lifelong New Yorker, historian, voracious reader. Least likely to be killed by headless possessed mannequins because she does not truck with that nonsense.

DR. ABIGAIL "ABBY" YATES

Physicist and co-author of *Ghosts From Our Past*. Is living her dream. Loves Erin like a sister but wouldn't be caught dead in a pantsuit.

The big bad evil aka Schreckgespenst aka Shrecky used its power to create living nightmares to drive a wedge between our heroes. And while the team struggles to come back together, Schrecky makes a bid for world takeover... obviously.
