VIVA AMERICA

That's right, it's me: America Chavez, exile of the Utopian Parallel and student at Sotomayor U. And I'm not new. I'm Teen Brigade, Young Avengers and the Ultimates certified. You don't need to see I.D. I've got my own solo series now, *oíste?*

LAST PLAYED:

So a while back, I started college with my old friend Prodigy. Sotomayor University, baby!

Then I found out I have a grandmother! Madrimar showed me our people's true home: Planeta Fuertona.

But now my fave professor is missing after the Midas Corporation's Mindless Ones attacked Sotomayor.

The new dean, Dr. Brightly, had me arrested when I broke her portal ban to look for Professor Douglas.

My girl X'Andria and the LeeluMultipass Phi Theta Betas infiltrated Brightly's security force, F.I.S.T., and launched a counterattack...

...but it turns out that Dr. Brightly is really Exterminatrix--the person who tried to kill me over Spring Break.
