

NINJA-K™

Colin King is Ninjak, lead member of MIG's Ninja Programme, but his freelance status grants him more autonomy than his predecessors. Independently wealthy, he has achieved mastery of multiple martial arts and possesses state-of-the-art technology and weaponry.

Neville Alcott is Colin's handler and closest ally within MIG. Although their friendship has been strained as of late, Neville and Colin maintain a professional relationship.

Ninjak is the latest in a long line of superspies, spanning over a century, dating back to World War I when Ninja-A became the first member of MIG's Programme. These agents have covertly swayed the course of history on several occasions, but there is a dark side to their service – an implementation of abusive tactics to keep them compliant and loyal to Queen and country.

In the wake of a war with the United States government, Livewire, Ninjak's former ally and lover, had become the most wanted terrorist in the world. But, despite the pressure from MIG, Ninjak refused to share Livewire's whereabouts. That is, until he needed information from them to stop an immortal entity known as The Dying One. But, when MIG came to collect on their end of the bargain, Ninjak refused, instantly making him an enemy of the state...

THIS...

...IS A BAD IDEA.

I'VE BEEN DISAVOWED BY MIG AND NINJA-K IS OFFICIALLY A ROGUE AGENT.

SO, EVEN WITH A STEALTH JET, FLYING BACK INTO LONDON IS LIKE PLAYING CRICKET WITH A HORNET'S NEST.

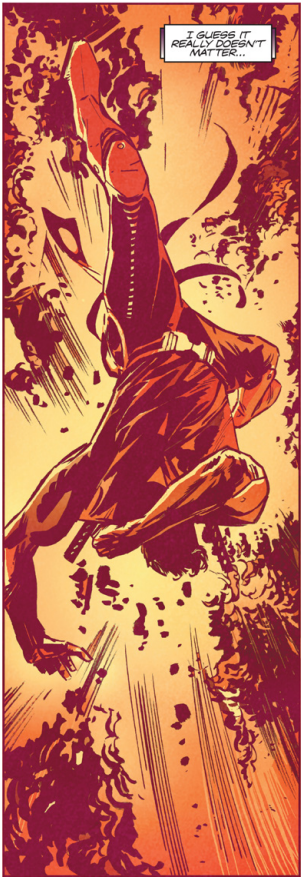

BUT THIS IS WHERE MY FINAL OPTION IS. EVERYTHING I NEED TO END THIS FOR GOOD.

AND EVEN THOUGH MY FORMER HANDLERS ARE UNAWARE OF THAT FACT...

FWOOM

THEY'LL STILL DO ANYTHING IN THEIR POWER TO TAKE ME DOWN.

A man in a red suit is falling through the air, holding a large fish. The background is a bright orange and yellow, suggesting a fiery or high-speed environment. The man has a determined expression. The fish is large and has a dark, patterned body.

I GUESS IT
REALLY DOESN'T
MATTER...

A man in a purple and black suit is falling through the air, holding a glowing object. The background is a blue and black, suggesting a dark or high-speed environment. The man has a determined expression. The glowing object is bright and has a red and white pattern.

BECAUSE RIGHT
NOW THE ONLY
THING THAT DOES
SEEM IMPORTANT...

...IS STICKING
THE LANDING.

SURRENDER
NOW, NINTAK,
OR--

KILLING IS OFF THE TABLE. THESE ARE MI6 AGENTS, AFTER ALL.

SHNK

THEY'RE ONLY DOING THEIR DUTY...OF COURSE, IF I WANT TO WALK AWAY FROM THIS I'M GOING TO HAVE TO HIT HARD.

SHNCK

I KNOW THEY WON'T HESITATE TO BRING ME IN BY ANY MEANS, BUT I'M NOT GOING TO MAKE ANY MORE UNNECESSARY CORPSES BECAUSE OF THE AGENCY'S MISTAKES...

GAK!

BLAM BLAM BLAM
BLAM BLAM BLAM
BLAM BLAM

BESIDES, THEY HAVE FAMILIES...
