

STRANGER THINGS

A comic book cover for 'Stranger Things: Zombie Boys'. The background is a dark, dense forest. In the center, a group of characters are depicted in a chaotic, action-packed scene. A boy with curly brown hair, wearing a purple jacket and a white baseball cap, is in the foreground, holding a baseball bat over his shoulder. He has a determined, almost aggressive expression. Behind him, a boy with dark skin and a headband is also holding a bat. To the left, a girl with short brown hair is looking up with a shocked expression. In the foreground, another girl with short brown hair is screaming with her mouth wide open. In the background, a boy with glasses is holding a camera, filming the scene. The overall style is a comic book illustration with bold lines and a color palette dominated by purples, pinks, and greens.

My name is
Will Byers.

I live in Hawkins, Indiana.

I'm twelve
years old.

I like drawing and
D&D and hanging
out with my friends...

...but last
year...

...last
year...

...Things
got bad.

I got abducted by a MONSTER
and pulled into a horrible alternate
dimension called the UPSIDE DOWN.

HAVE YOU SEEN ME?

But back at
home, everyone
just thought
I was DEAD.

And I nearly WAS.

But then my MOM and
CHIEF HOPPER saved me...

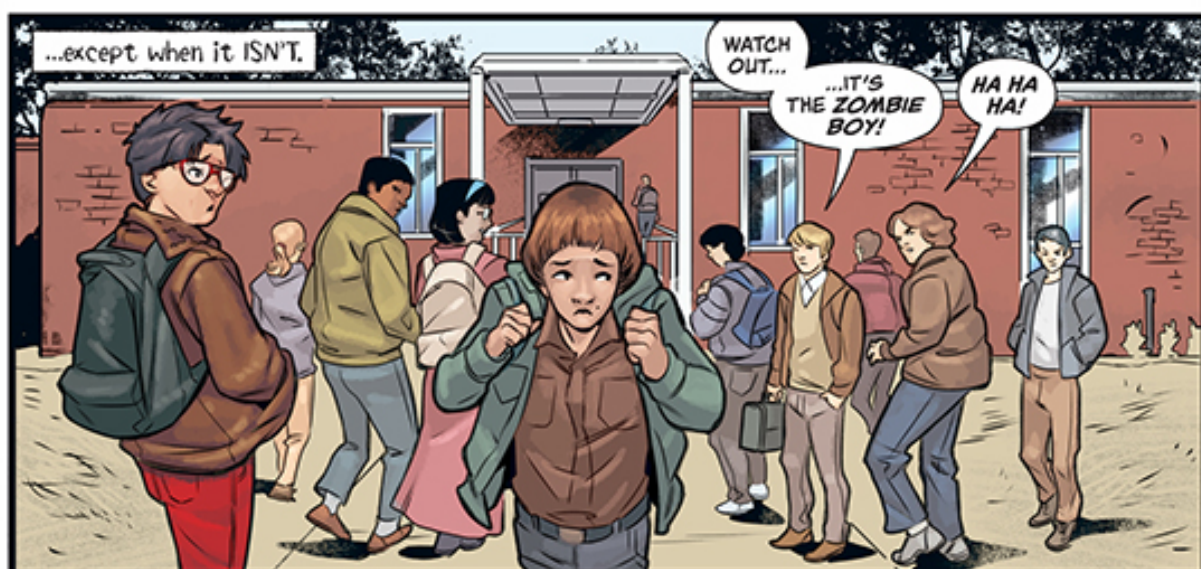

...and my friends **KILLED**
the DEMOGORGON...

...with the help
of some girl with
TELEKINETIC
POWERS.

Pretty **AWESOME**, huh?

Everything's
GREAT now...

...maybe
I AM.
