Well, I'd better pack up and figure out where I am.

Let's see, we got some ice...
...some rocks...

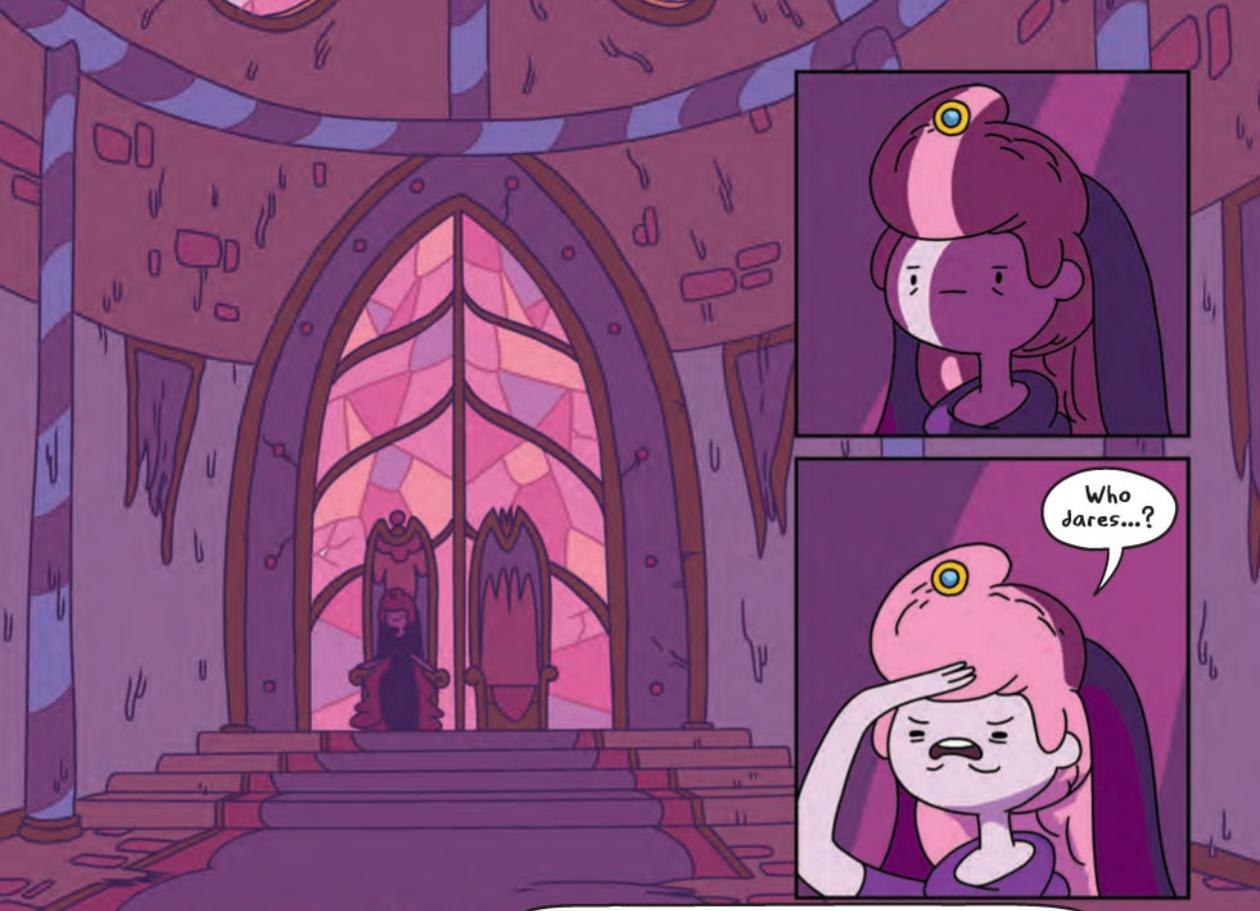

Yeah, I'm gonna go **WAY** out on a limb here and guess I'm in the Ice Kingdom.

It's not like this is what you'd find smack in the middle of, oh I don't know, the Brunch Kingdom, or...

...THE CANDY KINGDOM??

AW DANG. Y'ALL!

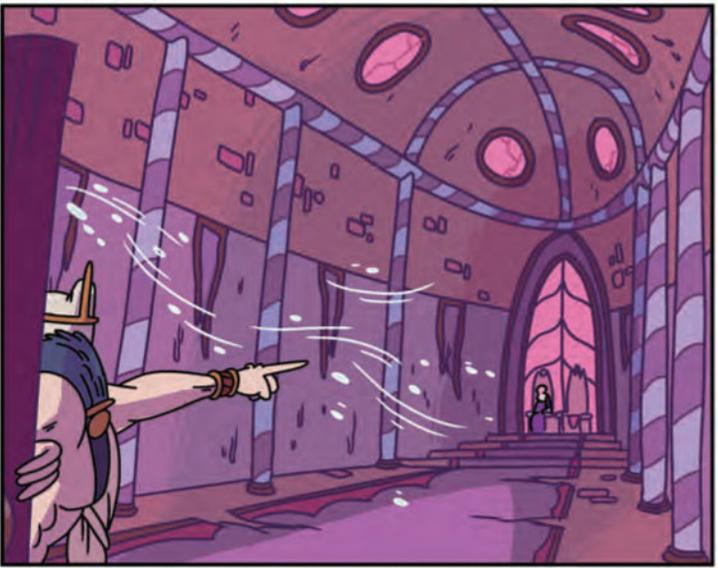

Who dares...?

Hi Peebs, it's Finn! The Mneumonoid took my memories again so I have no idea **WHAT'S** happened here, but **WHO CARES** because I've figured out how we can beat him forever now!! And finally I can say this with someone else here:

Whaaaaat time is it??

Go away.

Peebs, didn't you hear me? I know how we can beat the Mnemonoid! Also I was wondering what time it was vis-à-vis adventure??

I heard you, Finn. And I'm sure you **THINK** you've come up with the perfect plan to defeat him.

But here's what you don't know: whatever you're thinking of, we tried it.

We tried it again and again for years and years until it became abundantly obvious that nothing was going to beat the Mnemonoid and nothing was going to fix this.

We've lost so much--

You don't even know what you're missing, and I'm sorry for that, Finn. I really am. But I can't help you, and we can't beat him. Goodbye, Finn.

Don't let the door hit you on the way out.

I'm sorry, that always sounds really sassy. It's just, it closes really quickly sometimes.

I've been meaning to fix it, but—you know. My schedule's kinda filled up with sitting here in the dark these days.

HEY, SPEAKING OF WHICH!

Wait wait wait!
