

MISSION 002: GHOST TRAIN

Dum Dum Dugan—recently revealed to be an advanced LMD (Life-Model Decoy)—has been charged with leading THE HOWLING COMMANDOS, a faction of S.H.I.E.L.D. which was created to handle the...stranger aspects of homeland protection.

After a recent recovery mission went wrong, Commander Dugan has his work cut out for him. But when a young girl releases all hell on a New York City subway train, will his team of monstrous miscreants fail again?
