DEADPOOL! TOO SOON?

When Deadpool called up the funniest characters in the Marvel Universe to a creepy mansion on Long Island, all he wanted to do was snap the greatest Christmas card photo of all time. But when the camera flashed, Forbush Man fell over dead – and now it's up to Deadpool to figure out which of the panoply of assembled powers is a stone-cold killer!

With Squirrel Girl and Tippy-Toe refusing to leave Wade's side, the three teleport to California using the time machine in the old, secret Avengers hideout. Their mission? To track down each person that was in the room when Forbush Man was murdered. Once Deadpool and Squirrel Girl track down Rocket and Groot in San Francisco, however, they find themselves in the presence of the craziest character yet... Squirrelpool!
