

Episode VII, Part VI
THE FORCE AWAKENS

Luke Skywalker has vanished. In his absence, the sinister First Order has risen from the ashes of the Empire and will not rest until the last Jedi has been destroyed. The First Order and the Resistance are desperately searching for a map leading directly to Skywalker that is hidden inside the droid BB-8.

Finn, a former stormtrooper, and Rey, a young scavenger, become allies with the Resistance droid carrying the incomplete map to the missing Jedi while befriending Rebellion heroes Han Solo and Chewbacca. However, when trying to return BB-8 to the Resistance, Rey is captured by Kylo Ren and taken to Starkiller – the home base of the First Order.

Upon attempting a rescue mission, Finn and Han infiltrate the First Order base, only to find Rey has escaped on her own. But when Han comes face-to-face with Kylo Ren, his son betrays him once and for all...
