ALRIGHT,
LET'S DO
THIS.

REMEMBER
WHAT I
SHOWED YOU.

3... 2... 1...

CHAPTER 5:
**TRAINING
DAY**

YAAAAA AAAAAA A!

I TOLD YOU
IT TAKES TIME AND
PRACTICE TO WIELD
THE POWER OF THE
MAGNUM AUTON
CLASS-C..

YEAH, BUT,
I THINK I
NEED TO
TAKE FIVE.

TIME
IS SHORT,
STEINBERG-
JEFF.

SIGH

ALRIGHT.
FINE.

As I'm sure you've heard I have been chosen as the champion of all the Earth.

Soon I will face alien challenges to save the planet from complete annihilation.

Please tell Aunt Meg not to worry, the alien invaders have been very nice so far and are training me in how to best save the world with a giant robot suit.

Champion training camp is very hard though, we work long hours and study for even longer hours after that.

My trainer is a nice alien lady named Cleompa. I think you guys would like her.

CHIIIIIIIIITOOOOOWW!

She seems patient enough so far and is willing to work with me until I understand these new and interesting robot fighting styles.

I hope you guys are well and miss you very much.

*Yours sincerely,
Jeffrey.*

YAAAAAHHHHH!

PS. Shelly
says to say
hello.

We're doing
great. And she
is very definitely
not cheating on
me right now.

In fact, we're going
to get a puppy
together just as soon
as I save the world.
