DISHONORED®

THE PEERESS AND THE PRICE

THE CAST

EMILY KALDMIN

Tutored in diplomacy and rulership by her mother, and trained in fighting and tactics by her father, Emily is an unusual monarch. Her mother's assassination, and her life on the run during Delilah's Coup, gave Emily an awareness of the darkness that exists beyond the protective bubble of her birth and station.

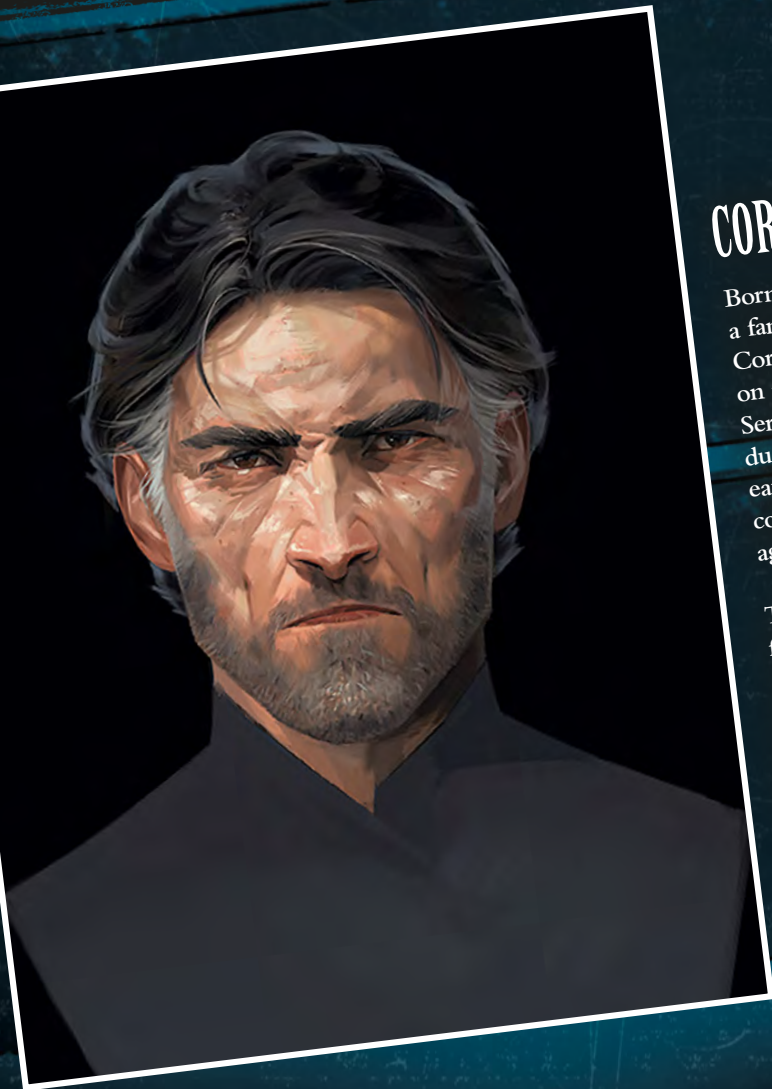

As Empress, she has worked to rebuild the Empire of the Isles, aiming to lift up even the most vulnerable.

THE STORY OF DISHONORED

In the whaling city of Dunwall, Empress Jessamine Kaldwin was murdered by the infamous assassin, Daud, who also abducted her daughter, Emily. Emily's father, Royal Protector Corvo Attano, set out after those who'd plotted against the Empress. Using the magic granted to him by the Outsider, a supernatural figure of legend, Corvo took down the traitors and returned young Emily to the throne.

Fifteen years later, the witch named Delilah Copperspoon usurped Emily's throne with the aid of Duke Luca Abele. Visiting Emily as he had visited her father before, the Outsider appeared to the deposed empress and granted her his Mark. Emily defeated her enemies and trapped Delilah within an enchanted painting, reclaiming the Imperial Throne.

THE CAST

CORVO ATTANO

Born in Serkonos to a family of workers, Corvo grew up on the streets of Serkonos, entering a dueling festival and earning a military commission at the age of sixteen.

Through talent and fortune, he was given as a political gift to the Emperor in Dunwall, where he has served for decades.

CHAPTER ONE

MY NAME IS EMILY
DREXEL LELA
KALDWIN.

DAUGHTER OF
JESSAMINE KALDWIN,
EMPRESS.

DAUGHTER OF CORVO
ATTANO, ROYAL PROTECTOR
AND SPYMASTER.

I DRAW ON MY MOTHER'S
LESSONS AT COURT, AND MY
FATHER'S IN THE BACK ALLEYS.
THEIR VOICES ARE ALWAYS WITH
ME, BUT MY LIFE HAS BEEN
MARKED BY CHAOS.

I WAS TEN YEARS OLD WHEN I
WAS ABDUCTED, AFTER SEEING
MY MOTHER BEING MURDERED
IN FRONT OF ME.

MY FATHER RESCUED ME, BUT
BOTH HE AND I WERE NOTHING
MORE THAN PAWNS IN A GAME
OF POWER. SCHEMERS WANTED
TO USE ME TO CONTROL THE
THRONE FOR THEMSELVES...

...BUT ONCE AGAIN, MY
FATHER WOULD STOP
AT NOTHING TO KEEP
ME SAFE.

WITH HIM AT
MY SIDE, I RULED
THE ISLES FOR
FIFTEEN YEARS.

BUT CHAOS
WASN'T
THROUGH
WITH ME
YET.

A WITCH NAMED DELILAH
COPPERSPOON, CLAIMING
TO BE MY MOTHER'S
HALF-SISTER, STOLE THE
THRONE FROM ME AND
IMPRISONED MY FATHER
WITH HER MAGIC.

BUT LIKE MY
FATHER, I WAS
VISITED BY THE
OUTSIDER AND
GIVEN POWERS
THAT HELPED ME
TAKE BACK THE
THRONE.

DELILAH WOULD HAVE RESHAPED REALITY,
CASTING HERSELF AS ITS CENTERPIECE,
WITH ALL FACES TURNED TOWARD HER,
ALL VOICES CALLING HER NAME.

I STOPPED HER BEFORE
SHE COULD REMAKE THE
WORLD, AND I RECLAIMED
MY THRONE.

AFTER SEEING DUNWALL TOWER
FROM OUTSIDE THE WALLS, I'VE
DONE ALL I COULD TO RESTORE
PROSPERITY AND STABILITY TO
THE ISLES.

AND NOW, SOMEONE IS TRYING TO UPSET THE ORDER I'VE GIVEN SO MUCH TO PROVIDE.

SOMEONE IS TRYING TO BRING MORE CHAOS TO MY WORLD.

BUT I WILL NOT ALLOW ANYONE TO JEOPARDIZE THE PROGRESS I HAVE MADE. THE PROGRESS WE HAVE MADE.
