TWENTY-THREE
ARKHAM: BOOK TWO

"The Groundhog"
ARKHAM
DAY 22

CANDACE--

--I'VE BEEN GONE FOR TWO WEEKS.

DEV AND I... FIGHTING THE PULORIANS...

THE PULORIANS.

A HOSTILE ALIEN RACE... HEADED HERE...

WHO'S "DEV"...

DEVON-- "SPACE MAN"-- THE NUTJOB WHO CLAIMS HE WAS ABDUCTED BY ALIENS...

COLONEL...

...ARKHAM HAS NO RESIDENT NAMED "DEVON."

-- I KNOW WHAT YOU'RE DOING.

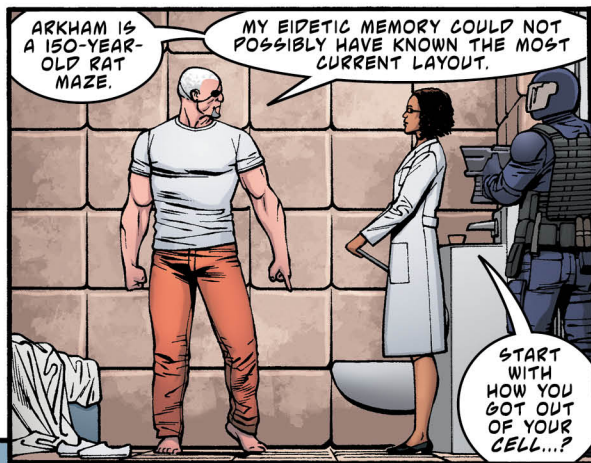

WHAT I DON'T KNOW IS WHY.

ALL RIGHT, COLONEL...

...YOU SAY YOU BROKE OUT OF HERE TWO WEEKS AGO... GOT YOURSELF ABDUCTED BY ALIENS.

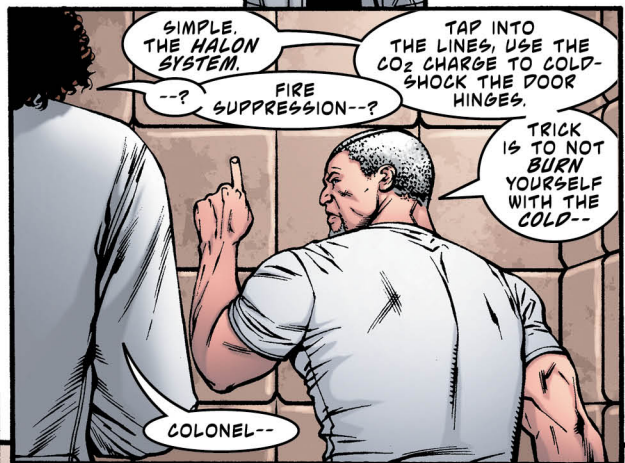

SHOW ME HOW YOU DID IT.

ARKHAM IS A 150-YEAR-OLD RAT MAZE.

MY EIDETIC MEMORY COULD NOT POSSIBLY HAVE KNOWN THE MOST CURRENT LAYOUT.

START WITH HOW YOU GOT OUT OF YOUR CELL....?

SIMPLE. THE HALON SYSTEM.

TAP INTO THE LINES, USE THE CO2 CHARGE TO COLD-SHOCK THE DOOR HINGES.

--? FIRE SUPPRESSION--?

TRICK IS TO NOT BURN YOURSELF WITH THE COLD--

COLONEL--

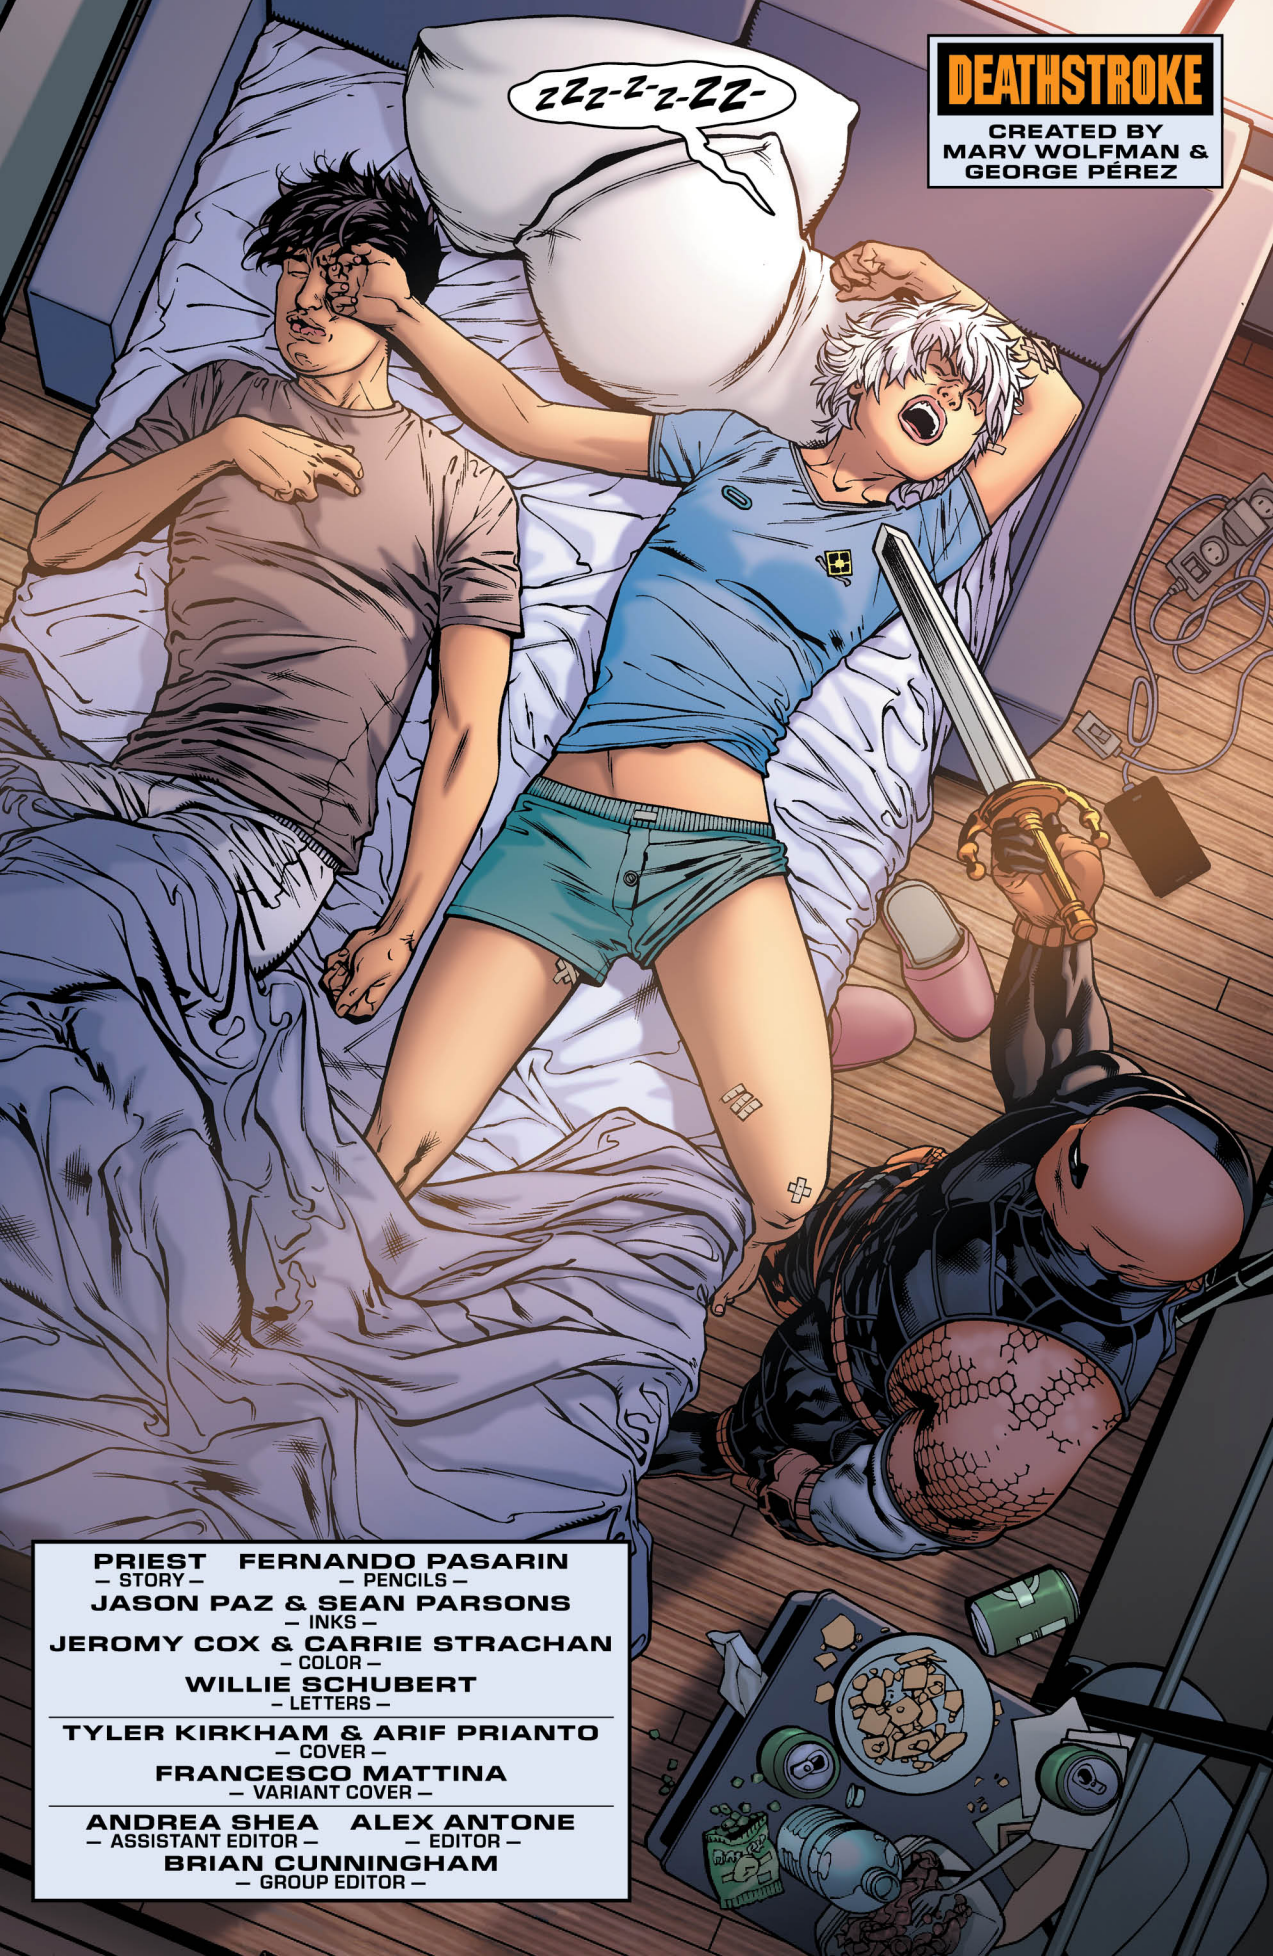

--THERE IS NO FIRE SUPPRESSION SYSTEM IN HERE.

THE HINGES ON YOUR DOOR ARE INTACT.

WHAT ELSE...?

DEATHSTROKE
