# Runaways

When they were younger, Nico Minoru, Chase Stein, Gertrude Yorkes, Karolina Dean, Molly Hayes and Alex Wilder became friends through circumstance: hanging out once a year while their parents had what they claimed was a dinner party. After discovering their parents were actually the super villain team known as the Pride, the kids ran. The Runaways learned to use powers and resources inherited from their parents, and returned to defeat them. The experience made them a family, but that wasn't enough to keep them safe.

The offspring of the Gibborim--the gods whom the Runaways' parents served in exchange for power for all of them and eternal life for some of them--have found the Runaways. One younger Gibborim, Gib, is guarding the Hostel until the Runaways fulfill their parents' bargain, perform a human sacrifice, and give the junior gods dominion of Earth. Molly can't beat Gib in combat, so it's up to the family to find a way out. And they might be ignoring their best options. Alex Wilder--who once betrayed the Runaways in an attempt to claim the Gibborim bargain for himself, Nico, and their parents--is imprisoned with them, but can't be trusted to use his strategic genius selflessly. And Nico has been avoiding using her Staff...
