

# NINJA-K™

Colin King is Ninjak, lead member of MI6's Ninja Programme, but his freelance status grants him more autonomy than his predecessors. Independently wealthy, he has achieved mastery of multiple martial arts and possesses state-of-the-art technology and weaponry.

Neville Alcott is Colin's handler and closest ally within MI6. Although their friendship has been strained as of late, Neville and Colin maintain a professional relationship.

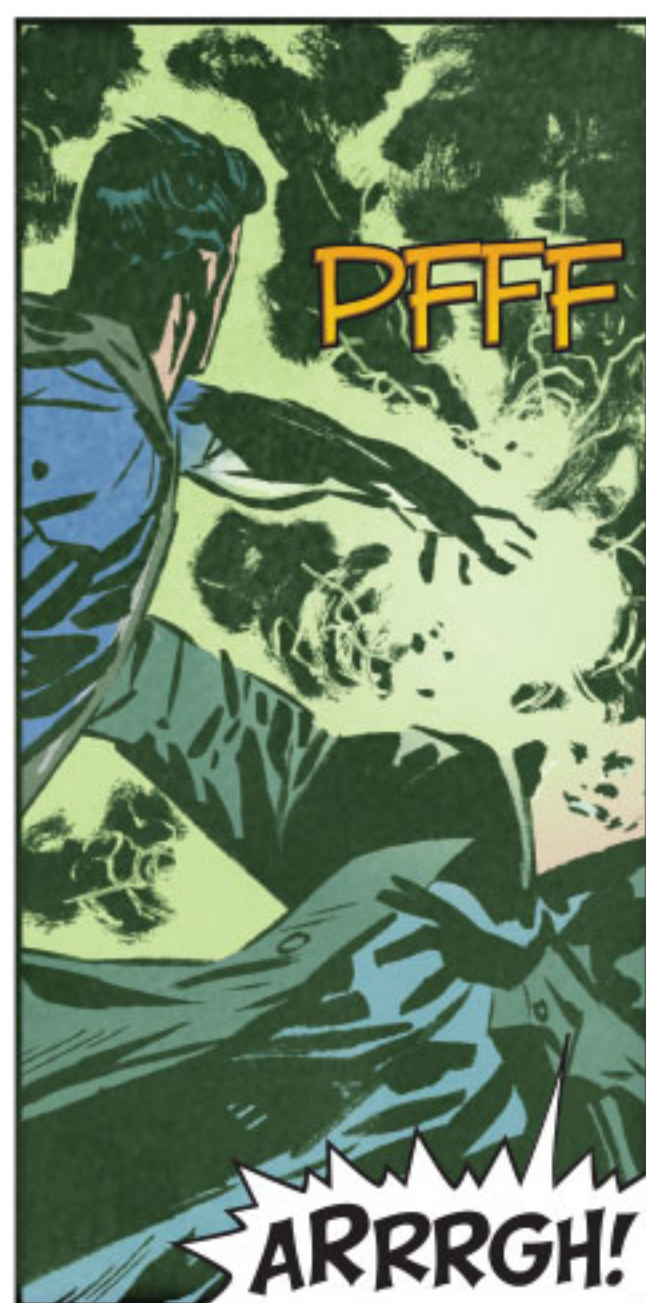

The Dying One is a consciousness that transcends death by moving from host to host. It has studied various forms of science for thousands of years, striving to achieve perfected immortality inside of one host body.

Ninjak is the latest in a long line of super spies, spanning over a century, dating back to World War I when Ninja-A became the first member of MI6's Programme. These agents have covertly swayed the course of history on several occasions, but there is a dark side to their service – an implementation of abusive tactics to keep them compliant and loyal to Queen and Country.

Ninjak was deployed to a small town outside of Chernobyl in pursuit of his friend Gilad, The Eternal Warrior, whose body had been possessed by an immortal entity known as the Dying One. He was expecting a radiation-ridden ghost town, but instead discovered a thriving farming village in its place. Ninjak found a laboratory nearby, where the Dying One was conducting strange and unsavory human experimentation. Now, Ninjak faces the immortal mad scientist, but the elite super spy may finally be out of his depth...

I HAVE YOUR  
LOCATION,  
COLIN.

WHAT'S  
YOUR STATUS?

BANGED  
UP, BUT NOT  
BEATEN.

I'VE FOUND  
THE DYING ONE.  
I THINK I KNOW HOW  
TO STOP HIM.

BUT ONCE I DO,  
I'M GOING TO NEED AN  
EXTRACTION FOR TWO--  
AND PRONTO.

FIRST,  
YOU'LL NEED  
TO PROVIDE US  
WITH LIVEWIRE'S  
LOCATION.

THIS ISN'T A  
TIME FOR GAMES,  
NEVILLE...

I'M SORRY,  
COLIN...

...BUT YOU  
KNOW THIS IS  
COMING FROM  
ABOVE ME.

KLIK

BUGGER  
OFF.

LOOKS LIKE BACKUP  
ISN'T AN OPTION.  
FORTUNATELY FOR ME,  
I MAKE MY OWN TRAVEL  
ARRANGEMENTS.

I JUST HOPE  
IT'S NOT TOO  
FAR AWAY FOR IT  
TO MATTER.

THE DYING ONE MAY  
BE IMMORTAL...

BUT HIS SPIRIT IS  
SUPPOSED TO  
RESURRECT IN A  
DIFFERENT VESSEL  
EVERY TIME.

SOMEHOW, HE'S  
TETHERED HIS  
LIFE FORCE TO  
GILAD'S BODY.

AND I HAVE A  
FEELING IT'S THAT  
AMULET SEWN  
OVER HIS HEART...

I KNOW  
YOU'RE HERE,  
NINJAK!  
THIS IS  
A FUTILE  
GAME.

I BLOODY  
HATE MAGIC.
