## KILL KREW

In the fallout of the War of the Realms, Frank Castle, known by many as the Punisher, was on a mission of vengeance for the war orphans whose families were killed by monsters and for Frank Jones, a father who lost his family to the Frost Giant, Kasyckla.

Frank's mission took him across the realms in a war van pulled by Thor's goat, Toothgrinder. Along the way, he formed an unlikely team consisting of New York lawyer Foggy Nelson, the unstoppable Juggernaut, and the Black Knight. With their help, Frank hunted down the monsters on his list until only Kasyckla remained. But the battle with Kasyckla went south, and now Frank, the Juggernaut, and the Black Knight are in danger, with Foggy as their only hope!
